1971 ANNUAL

of the

BUNCOMBE ASSOCIATION

of

NORTH CAROLINA

A SURVEY AND A RECORD

of the

NINETIETH ANNUAL SESSION

ERSKINE V. PLEMMONS

Erskine V. Plemmons was born in Lockhart, South Carolina. He grew up in the community of Leicester, North Carolina. Mr. Plemmons attended Mars Hill College and holds a Bachelor Degree in Theology from Southern Seminary.

He began his pastoral work in his home church, Turkey Creek, in 1931. He married Miss Doris Lance of Candler, N. C., while pastor of the Liberty Church, where he served from 1935 through 1936. Several pastorates followed the pleasant one at Liberty. He has served successfully as pastor in nine of our North Carolina Churches and one in Kentucky during Seminary days.

His administrative ability was recognized by our churches and because of his ability to relate to all people he was called as Superintendent of Missions in the Carolina Association. He again entered the pastorate in 1950, and after two successful pastorates was called into administrative work in 1961 as Superintendent of Mission in the Buncombe Association, where he has served for the past ten years.

The Buncombe Association is composed of ninety-three churches and several not related to the association. Mr. Plemmons manages to visit all of the churches and has preached in most of them. He considers any service to the churches a work of love, and a work for the Master. He may be preaching in one of the larger churches at eleven o'clock, but before that time he will have spoken to the prisoners at the prison camp or at some small church where he can make his contribution.

People listen to Mr. Pemmons. If they doubt their ability to achieve, he convinces them that they are under-estimating themselves. He is "Mr. Enthusiasm" and "Mr. Hope" to many of our churches. He does not preach the superintendent of missions nor the program of our churches, but Christ and how our program can be related to the over all purpose of God. His messages are simple, and as was said of his master "The common people hear him gladly". His manner and spirit is not only that of a minister but he has the shepherd heart. He has the capacity to care.

Mr. Plemmons loves to serve men, because he is convinced that to serve men is to serve the one who called him to serve. His sincere words, his genuine understanding has brought comfort to many a bereaved heart, and peace and reconciliation to many a troubled church.

The Superintendent of Missions in the Buncombe Association is loved, respected and followed as he seeks to enlarge the vision of our churches. North Carolina Baptists are greater, stronger and still growing, because Erskine V. Plemmons, his wife and three children are living and serving. This tribute of love and appreciation was voted by the Buncombe Baptist Association September 14, 1971. (Rev. M. D. Smith—for the Association)

JAMES CARTER PIPES

The 8th day of February, 1897 was a significant day for North Carolina Baptists. On this day, James Carter Pipes was born in a modest rural home in Wilkes County, North Carolina. The family later moved to Cherokee County where he was ordained in 1916.

The voice that was first heard in Wilkes County was destined to be heard throughout the beautiful mountains of Western North Carolina. There were several churches in North and South Carolina and Tennessee that were blessed by the ministry of this dedicated son of the hills. He was indeed a man to "match our Mountains".

In the churches where he served as pastor unusual growth was experienced. This new life discovered in the churches where he served caught the eye of the North Carolina Baptist State Convention.

A new chapter in the life of James Carter Pipes began with his election to Field Secretary in 1937. Because of the zeal and ability of this servant of God to relate to all people, many churches, heretofore closed to the cooperative work, were opened to a larger ministry. During the early years of his association with the convention he became director of the pastor's school at Mars Hill, and promoted smaller schools for pastors in many associations. He sought to create a hunger in the hearts of preachers for knowledge, for he believed that "where there is no vision the people perish". To this task he gave himself without reservation for twenty years. Many eyes were opened, churches that were dead came alive with a sense of mission. Hundreds of preachers caught a glimpse of the relationship between service and preparation.

While in the employ of the Convention he promoted a school of missions in the Buncombe Association. After expenses were paid there was a balance of $500.00. This, with the encouragement from Mr. Pipes, became the base of the associational mission program with the employment of the Reverend H. M. Hocutt as missionary.

James Carter Pipes retired from the position of Field Secretary in 1957. He had served long and well. Many were his friends and noble his efforts along with a multitude of accomplishments. However the story does not end here.

Chapter three opens with our friend beginning a new ministry—that of chaplain in the hospitals of Asheville, as a part time employee of the Buncombe Association. In this position he met many friends from across the western section of our State. During these experiences Mrs. Ruth Pipes was the faithful and devoted wife, who cared for her husband, while serving as the efficient secretary of the Buncombe Baptist Association.

On February 19, 1971, this servant of God who answered the call to service in 1916, now answered the call to coronation, and the voice that was first heard in Wilkes County in 1887 has joined the eternal praise of Him whom he chose to call Lord.

(To James Carter Pipes and Erskine V. Plemmons, the Associational Annual for 1971 is affectionately dedicated. This action was taken at annual session September 14, 1971—written by M. D. Smith for the Association).

54. Rev. Bob Hamilton was recognized also as the Vice Moderator.

55. Rev. E. F. Baker said he had visited many associations, but he had never known one to have the fellowship enjoyed here.

56. Rev. E. V. Plemmons was asked to come to front and lead in the closing prayer.

MISSIONARY'S REPORT

As I come to give my report for 1971 from the reports coming from the churches, I find that 93 churches have brought almost three million dollars into the treasure house of our Lord, and have divided it by sending $585,181 beyond their borders for missions. Of this amount $302,050 was given through the Cooperative Program. The sun never sets on our program because through missions we are reaching around the world.

As Jesus gathered the little children in His arms and blessed them, through our Child Care Program with the Broyhill Home and the Foster Homes for children we are carrying on the program of Jesus.

We have reached out with a heart of compassion to say to the unwed mother Jesus loves you and there is yet another chance.

By the hospital bed through the chaplain program we have been there to pray and to help.

Behind prison bars, we have gone to tell the prisoner of God's love and His marvelous Grace. Our Sunday schools have gone out into the rest homes, the trailer parks and to the Juvenile Center to teach the Word. We have enrolled 22,503 in Sunday school, an increase of 67 over last year.

Through our Interracial Department with Mrs. Alcovia McCall leading, we have been able to extend a helping hand to 36 churches in the Mud Creek Association. Together we shall walk in the spirit of Christ as brothers in Kingdom building.

As we have gone into the highways and hedges, we have brought into our churches and baptized 963. There is rejoicing in Heaven over each one brought in. All of the organizations of our churches have shown a good increase.

As we turn our faces toward 1972, let us endeavor to make it the greatest year in witnessing, winning, teaching, training and ministering, we have ever had. Jesus said to his disciples in John 9:4 — The night is coming when your work day will be over, you must hurry.

E. V. Plemmons, Missionary

SUNDAY SCHOOL

The 1970-71 Sunday School year took on a new format and we hope there was a spirit of enthusiasm with it. We hope that this year has been a profitable one in each Sunday School in our Association.

Our leaders are encouraged to be concerned with the Bible teaching program of each church.

Our Vacation Bible School clinics were very successful and well atended. We would like to express appreciation to our Sunday school workers for the inspiration, instruction and motivation they gave us to promote the work of the Sunday School.

One of our missionaries prayed, "O God, we thank Thee that the Gospel passes through us on its way to others." Let each of us be a channel through which salvation will pass to others. This can be true and as bright as when Jesus spoke the words of the Great Commission.

We appreciate the churches that backed each clinic and conference with their presence during the past year and we request your prayers and support for the coming year.

Neils H. Larsen, Director

ORDINATION COMMITTEE

The Ordination Committee of the Buncombe Baptist Association has examined the following candidates for the full Gospel Ministry as follows:

T. J. Gasperson, 7-21-70 (Hominy Baptist Church)
Roy D. Cable, 8-11-70 (Bent Creek Baptist Church)
Arthur C. Bryant, 11-23-70 (Merrimon Avenue Baptist Church)
James Lamb, 4-9-71 (Grove Stone Baptist Church)
Jimmie Cox, 4-9-71 (Merrimon Avenue Baptist Church)

Horace L. Smith, Chairman

BAPTIST MEN

An encouraging number of our Baptist Men in the Buncombe Association are on the firing line for God.

Some of them are actively engaged in work at the Juvenile Rehabilitation Center, others at the jails, and still others at the Craggy Convict Camp. Sunday School with special music is held at Craggy on Sunday morning at 9:15 o'clock under the direction of Mr. Clyde Tilson. Other men have Bible study on Wednesday evenings. An increasing number of men from various churches are taking the prisoners out for dinner and worship services in the churches.

Our men have taken part in fourteen lay witnessing revivals durland for the second year. Last year we worked with the people in only land for the second year. Last year we worked with the people in only one church in Nottingham, England, and this year we were in eight churches in Nottingham and Liverpool, with more than forty professions of faith. Surely England is one of our best mission opportunities. It is most encouraging to see the English people come alive spiritually through personal witnessing to the saving power of Jesus. To anticipate the leading of the Holy Spirit in the period just ahead is really exciting.

Bert Starnes, President

AUDITOR'S REPORT

The Associational books have been audited and to the best of my knowledge are true and correct.

The total annual receipts have been checked against the ledger accounts. The report is correct and is a true accounting of the income and disbursements.

Bank statements have been reconciled and the record of cash in the bank is correct.

The books have been maintained efficiently, neatly and in proper accounting manner. I commend the Treasurer for her continued efforts in maintaining these records so well.

Respectively submitted,
T. Cecil Tallent, Asso. Auditor

WOMAN'S MISSIONARY UNION

The 1970-71 WMU Watchword has been "If the son therefore shall make you free, ye shall be free indeed" (John 8:36).

This has been a busy year and all the Associational WMU officers have cooperated to the fullest to promote the WMU work in Christ's name.

In August seven of the WMU age level directors and assistants attended the state leadership conference at WMU Camp Mundo Vista.

Two Associational leadership conferences were conducted. These were at Beverly Hills October 12 and Calvary October 19. Both conferences were well attended.

The Associational WMU was represented at the annual WMU meeting in Fayetteville March 16-18.

Mrs. Buckner and Mrs. Smith conducted a meeting for Baptist Young Women at the First Baptist Church, Asheville May 10.

Mrs. Beverly Angel organized an Acteens Council and has been very active with this age group. She conducted several meetings and several girls were involved in summer mission work.

Mrs. Robert Barnes had a GA Rally at Enka Church with a large attendance. She conducted two day camps for GA's during the summer.

Miss Maye Kennedy and Mrs. Vance Miller cooperated in plans for a joint meeting of the Baptist Women and Baptist Men at the West Asheville Church on July 19.

Two cooperative mission projects were: (1) $100.00 from the annual WMU offering was given to Interracial VBS work, (2) a linen shower for the Broyhill Children's Home was valued at $173.22.

Four quarterly WMU Council meetings were held and a quarterly WMU News Letter was mailed to more than two hundred people.

On the Associational WMU Achievement Guide we attained the rating of "DISTINGUISHED" WMU. However, this does not mean that all was accomplished that we would like to have seen done. The fields are white unto the harvest and the laborers are few.

"Grant us wisdom, grant us courage, that we fail not man nor thee".

Pauline Snelson

WMU Director

CHURCH TRAINING

Training is a directive straight from the Bible—It's the new member's gaitway to involvement.

Our first mass meeting was our "M" Night meeting which had an attendance of 542. The message was brought by Dr. Alastair Walker, pastor of First Baptist Church, Spartanburg. There were forty-four churches represented with thirty-six pastors and twenty-seven Church training directors. The Achievement Banner was won by Hominy Church who had 210 points. This was a good report. Skyland Church won the Attendance Banners.

A very helpful clinic was held at Calvary Church in February. Our state workers conducted the conferences.

At our Youth Night meeting everyone was inspired by a drama, "Who Will Answer?" presented by the young people of Canton First Baptist Church. Pam Player from Victory Church was the only one who spoke in the Speakers' Tournament.

Three children participated in the Scripture Exploring Drill. They were from Beverly Hills and Hominy Churches. This is the only Tournament that the State promoted beyond the Association this year. A new approach in the area of tournaments is in the making for next year.

Encouraging reports of New Member and Church Leader Training have been received from some of the churches.

ANNUITY REPORT

Every Southern Baptist Church should be well informed as to the service the Annuity Board is rendering to the Convention. In its 53 year history, the Annuity Board has paid benefits amounting to $82.1 million; $8.4 million was paid in benefits during 1970. The Board has been of inestimable help to many of our churches in the hours of tragic need. There is no way of expressing what this agency has meant to our retirees, widows and disabled.

The Buncombe Baptist Association has 68 churches participating in one or more of the several protection and insurance plans of the Board. We have an addition of 15 new churches in the protection programs over the report of last year.

An Annuity Board protection program is available to cover all the needs of a pastor, church staff member or denominational employee. Information on any part of the Annuity Board's programs may be obtained from our Baptist State Office, Raleigh or the Annuity Board, CBS, 511 North Akard Building, Dallas, Texas.

HOSPITAL CHAPLAIN

In the hospital, sick, lonely, away from home and loved ones, facing surgery, afraid are the sort of people I visit within the hospitals of Asheville day after day. It makes your heart ache to see so much of it, but it makes your heart rejoice if you can bring a bit of comfort and assurance to someone in this condition.

Many have spoken words of hearty commendation for Buncombe Baptists for providing this ministry. My wish is that it might sometime become a full time ministry.

Thank you for the privilege of serving our Lord in this limited way.

Respectfully submitted
W. G. Russell, Hospital Chaplain

ASSOCIATIONAL BOARD — 1970-71

The Associational Board met each quarter in regular session. In the July, 1970 meeting, the Moderator appointed the Committee on Committees, the Committee on Place and Preacher and the Committee on Enrollment. An application for a Church Related Vocation Scholarship was approved for Teresa Chandler, Merrimon Avenue Church, and an application for pastoral aid for the Lakewood Baptist Church pastor for $1080.00 was approved at the November 21st meeting. A request from the Jupiter Church for pastoral aid was referred to the Missions Committee for further study at the January meeting, and at the April meeting this request was rejected based on the fact that the pastor and wife's income was above the standard set for receiving aid. It was also voted to recommend the request to re-instate the aid for the Bald Mountain Church in the amount of $1,560. All regular reports were accepted as information.

NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

LIBRARY REPORT

We have several churches which do not have libraries but are about ready to start one. We hope to help establish these libraries in the very near future. Others which need to be re-vitalized have come to our attention also.

Out of some ninety-seven churches in our Association we have fifty-five active libraries. The others are wasting time because they can have a library at such a small cost. You can get twenty free books, and you only furnish five books. They call your Associational Librarian at phone 252-6393, who will furnish you a small cabinet to use until you can furnish a room for your library.

You now need a librarian, and we believe that there is a good person and a good Christian in every congregation who is willing to give of his time and talent to help save the children.

Many of us cannot go as missionaries, but we can serve in this way in our churches. Make this your project. Young people, help start a library in your church this summer.

We need your help—you will enjoy doing this and be glad you did. Contact M. H. Cox for any suggestions and free books and help you should need. Will furnish any young person a plan, "How to Start a Library on a Shoestring." The children will thank you, the church will thank you, and the Lord will bless you. Turn it over to another person when you go back to school.

Respectfully submitted,

M. H. Cox, Associational Librarian

EVANGELISM REPORT

All Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. 1,519 dcisions wer made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools. Over twenty-five associations have already stated specific planning toward a one week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the Division of Evangelism will be November 1-7 in the

Mecklenburg Association. Other one week dates have already been confirmed in several associations. Jesus reminded all Christian laymen of our task in Luke 24:48—"And ye are witnesses of these things" Thousands of laymen and youth will respond if they are properly challenged and trained.

The Division of Evangelism in cooperation with our Brotherhood Department and the N. C. United Methodist Conference will sponsor four Regional Evangelism Conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971 across the state. Lay evangelism will be the emphasis of these meetings. Dr. Ben Johnson of Atlanta, Georgia who has assisted Dr. Billy Graham and Dr. Ken Chafin in several conferences, and Dr. Ralph Neighbour of Houston, Texas will be the two main speakers. Rev. Bob Gibbons will be the guest soloist. Laymen will preside, share personal testimonies and have the Scripture and Prayer.

The 26th Statewide Evangelism Night will be on Friday evening, August 18, 1972 at Greensboro Coliseum.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

COOPERATIVE PROGRAM

Is there a church you can lead to increase Cooperative Program giving by $5,000? or $10,000? Does your association have 100 % of the churches contributing through the Cooperative Program? Anson and Yates associations did in 1970. More than 1,000 churches in North Carolina increased Cooperative Program giving last year by 10% or more over the previous year. As a dedicated Christian steward will you try to lead your church to increase the percentage of the offering plate dollar given through the Cooperative Program?

A pastor said during a Fellowship Dinner in his church, "My hands reach 25,000 miles, or rather the Lord's hand through me, when I lay the dedicated tithe of my income in the offering plate of our church.

"But how can I reach this distance? By joining hands with others. "You see, our church gives 32¢ of every undesignated dollar through the Cooperative Program.

"Our Lord set a wonderful example for us at this point. He started with education. He taught the apostles and they proclaimed the gospel around the world. The Cooperative Program is an effort to follow this example.

"Since the Cooperative Program helped to educate and now pays the salary of over 6,000 missionaries around the world, I am able to reach around the 25,000 miles of the earth as I tithe through our church", concluded the pastor.

You can reach 25,000 miles as your church gives a worthy portion of each worshiper's contribtution through the Cooperative Program.

North Carolina Baptists believe that the Cooperative Program is the best way to do mission work because:

1. It is motivated by the Great Commission. The Cooperative Program did not create cooperation on the part of Baptist churches; the desire of the New Testament churches to give the gospel to the world created the Cooperative Program, (Luke 24:45-48; Acts 1:8).
2. It is rooted in New Testament practices (II Cor. 8 and I Cor. 16:1-3).

3. It is the product of generations of the best Baptist Leadership.
4. It gives hope for the future.

The Moderator, the Convention's General Board member, our Superintendent of Missions, and your Cooperative Program Representative in this association plus your Regional Cooperative Program Consultant and R. Tom Greene of the Baptist State Convention office are delighted to offer friendly service to aid your aim of increased Cooperative Program sharing. On your invitation we stand ready to assist in every possible way.

CHRISTIAN HIGHER EDUCATION

How can we keep our 7 North Carolina Baptist Colleges permeated with Christian atmosphere? The answer can come only from those of us comprising the Baptist State Convention of North Carolina. Among the countless ridiculous commercials viewed on TV, there is occasionally one with meaning and challenge. This is illustrated by a public service commercial about colleges, in which the college president looks directly at us with pointing finger, and says: "If colleges are to stand—they need your helping hand". This is especially true concerning our Christian colleges.

North Carolina Baptists own and partially support 7 great colleges: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate, with a total enrollment in April, 1971 of 12,627. The Convention gave proportionately to these 7 colleges, in round figures a total of $1,843,600 in this past school year. These great colleges cannot survive without the support of each of us.

Information from our Executive Secretary of Christian Education, Mr. Robert Mullinax—whom we welcome to this recent appointment enthusiastically—states: "Throughout America more colleges join the ranks of the financially distressed every day. Some schools have been forced to close and others are moving steadily toward the crisis stage. Rising costs—need for financial student aid, decrease in endowment and contributions, etc., partially cause this situation. Fortunately none of our North Carolina Baptist Colleges is in deep financial difficulty—but they are existing under heavy pressures."

Mr. Mullinax further says that we as Baptists must continue together to provide opportunities for students to seek truth in an atmosphere of freedom, and we must help them to be guided by persons who are committed to God as He is revealed in Jesus Christ. As pastors and church leaders could we commit ourselves to the following: To engage regularly in prayer for each college; for the President of each; for the faculty of each; for the students and for the staff. Send the choice youth leaders of your church to these colleges—Mars Hill in this area. Their Christian influence will help so much. Bring the colleges before your church on College Day. Our colleges do have great problems, but they are educating some people who will become great. Loyalty and generosity to our colleges will pay splendid dividends.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients—that is patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care—now the highly specialized care for the more difficult cases—for those who cannot pay has not been changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the Administration with "cautious optimism". The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Developemnt Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The child care and family services ministry of North Carolina Baptists in Western North Carolina has undergone many new and thrilling experiences during the past year. Since the associations last meeting, our program of services has been strengthened in various ways.

The desire for a home to serve Western North Carolina has become a reality. In early May, after years of careful planning, diligent work and generous giving by many friends of the Homes, the first two cottages for children on the Broyhill Home campus were opened. These were filled to capacity by the early part of the summer making provision for twenty-five additional children in group care.

In October of 1970 a new service was begun with the opening of a maternity home in Asheville. The girls who have been served in this program have responded well to the love, concern and care which has been provided them. This facility was made possible largely by our Baptist people and other friends in Asheville and Buncombe County.

With the provision for more adequate services for children and members of their families in Western North Carolina, it has been necessary to increase the size of staff to serve the area. Under the capable leadership of Hugh Starnes, Superintendent of Broyhill Home and administrator in Western North Carolina, members of the staff are seeking diligently to serve the many requests that are being made.

The expansion of services and the improved quality of work being done requires additional financial support. Increased giving through the Cooperative Program, the Thanksgiving Offering, special gifts by individuals, families, businesses and industries is necessary to provide quality services for those who turn to us for help.

Members of the Board of Trustees and members of the staff of the Baptist Children's Homes use this opportunity of expressing genuine appreciation for your confidence and support. At the same time, they are seeking diligently to maintain the best program of child care possible.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one home, and one resident in 1951, to five homes and a nursing care unit, with total accomodations for 160 residents and 76 patients. Two of these homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. The simply could not be maintained, and the Homes could not be operated without the Special Offering, desgnated gifts from the churches, and the Cooperative Program. We could urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

HISTORIAN REPORT

History is still being made by Baptists of the Buncombe Association. Every Baptist of our association should spend some time in studying the minutes of our association each year. I look forward to this opportunity for then I see and understand more clearly the work of our churches. I rejoice with the churches that increase their goals and seek to achieve more in the spread of the Gospel and the growth of the Kingdom of God. However I note many times that we are failing in some important fields of our work—smaller attendance, smaller and in some cases no gifts to missions. Does this mean that we are not interested beyond our local church or is it true that we have failed to inform ourselves through study and prayer as to world needs. We cannot be selfish in our labors and keep God's commandments, nor will we merit God's blessings.

It is interesting to note that several of our churches were organized in the early 1800's, the first being the Newfound Church in 1802. About 25 were organized between 1850 and 1900 while about 50 were organized between 1900 and 1950. But churches are still being organized since we note that about 15 have been organized since 1950. We now have almost 100 in our Association and many more in our country that belong to an adjoining association. About one-third of the churches have a membership including resident and non-resident of less than 200, while almost one half have a membership of over 200 but less than 500; one fifth have a membership of between 500 and 1000 while only 3 have a membership of over 1000. Non-resident members still appear to be a big problem and I wonder what effort is being made to keep in touch with them or what contribution is being made by them to their church or any church or to their witness as a Christian. I trust that some of our churches are trying to solve this problem and will pass the information along to the other churches.

Certainly the membership, the number of organizations and attendance is meaningful, but your historian was especially interested in the baptisms reported, and thrilled to note that one church reported 60 last year, 2 reported more than 40 while several reported more than 20. Of course some failed to report a single baptism and this is most regretable since this is part of our Great Commission or marching orders.

Your historian was also interested in the financial program, the number of tithers, Coopertive Program gifts which is the life line for world mission program. The gifts to other phases such as Children's Homes, Hospital, Homes for the Aged, Schools, Colleges, etc was noted. Of course we must not overlook the support of our associational mission program for this is a most important work and it is certainly good to see the number of churches who have this in their budget.

The following churches reported items of historical interest, which we are glad to include in our report:

Antioch—A recreational building and new organ.

Arden—Began construction of a new sanctuary.

Asheville First—Dedicated new Children's Building in August, 1970.

INTERRACIAL COOPERATION

Approximately 2,000 boys and girls were enrolled in Vacation Bible Schools throughout the Mud Creek Association this summer. Of the 19 national Baptist churches in which the schools were held, summer workers assisted in all but three.

There were three of the student missionaries who participated in in the Bible schools of Southern Baptist Churches in addition to their other activities. These were Mrs. Brenda Jones at Beverly Hills; Miss Cathy Burton at West Asheville; and Miss Betty Bowers at Woodland Hills, Chestnut Grove and Glendale. Others of the fourteen-member staff included Rhonda Roland, Gail Bass, Eloise Madison, Lynette Wynn, Curtis Gardin, Betty Young, Sara Glover, Rick Cash, Sharon Reynolds, Yvonne McDonald, and Bobbette Kilgore.

As reported there was over $777.82 given to the Unified Plan through the mission offerings taken each day. The decisions made during evangelistic emphases totaled 103 professions of faith and 63 rededications or commitments to church-related vocations. The facilities available for use in many of the churches were spacious and quite adequate to carry out the one or two week programs. However, too often facilities were cramped and conditions compelled as many as 4 classes to be held simultaneously in the same room. Nevertheless there were apparent accomplishments despite physical handicaps, because the spiritual lives of many young men and women were deepened through study of the Bible and prayer. Street learned attitudes of hatred, pride, and revenge were transformed by the Holy Spirit into more Christian ways of thinking.

In retrospect, the summer was filled with victory, joy and satisfaction, as well as defeats, sadness, and discouragements. Despite the negative aspects the work was rewarding to meet new friends, to find in them a hunger for religious instruction, and to see many make decisions to follow Christ.

MUSIC MINISTRY

The Fellowship of Ministers of Music in the Association is the planning group for church music development in our churches. This ever growing group is composed of full time and part time directors of church music. A monthly luncheon and business meeting is held throughout the year.

During the past year enriching projects were featured for our churches. In October an adult Choral Clinic was led by Dr. Paul Peterson of Salem College; also, an organ and piano festival during this month; November: An Associational Ensemble presented music for M.

Night; December: a presentation of the Messiah by a sixty-five voice choir from thirteen of our churches, and conducted by Charles Gatwood of the State Music Dept.; February: Twenty-four choirs participated in the Regional Choir Festival; March: A group of Youth Choir members from the association sang in the 3,000 voice choir for the State Evangelistic Conference in Greensboro; April: Young People participated in the Advanced Choral Clinic held at Hickory under the auspices of the State Music Department; May: The Annual Associational Youth Choir Retreat held at the Ridgecrest Assembly was attended by 300 youth representing 19 churches. The guest conductor was Festus Robinson, music consultant with the Sunday School Board; August: The Junior Choir Day Camp was attended by 134 Junior Choir members from 19 churches.

It is our hope that more and more of the churches will become involved in the exciting program of the music ministry.

BIBLICAL RECORDER

Our Buncombe Baptist Association enjoys its proportional part of the 6% Biblical Recorder circulation increase over last year. This is a 138 year all time high of Baptist facts to 93,000 Baptist families in the State Convention. Since many religious publications are losing circulation, it is a tribute to the Baptist of North Carolina for supporting this publication so faithfully.

*"The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people—it stands for something."

Even though inflation creates financial problems, the RECORDER may still be received under the Church Budget Plan for the same $2.00 per year per member as it could in 1960. More churches would benefit and should enlist in this informational program immediately because it is not known just how long this bargain will be available.

Respecfully submitted,

1972 REPORT TO THE ASSOCIATION

Annuity Board of the Southern Baptist Convention

Darold H. Morgan took office as president of the Annuity Board of the Southern Baptist Convention on March 1, 1972. R. Alton Reed, whom he succeeded, had been chief executive officer of the Board for 19 years.

The change in executive leadership occurred with the Board having record funds held in trust of more than $292 million, as of December 31, 1971. These funds are held in trust for 36,000 retirement plan participants now active in churches and denominational agencies.

Moreover, the Board paid out 25 per cent more in benefits to 7,500 annuitants last year than their contracts required. Called "13th Checks," these extra benefits were paid twice in the year — 8 1/3 per cent in February and another 16 1/3 per cent in December.

The same good yield on investments that permitted extra benefits to annuitants also gave Good Experience Credits (credits for good experience and investing) to active members of the various plans, adding value to their retirement fund being built up.

The extra benefits paid through "13th Checks" totaled $1,339,732.

The Board, in its 54 years of existence, had paid out benefits that total $92.1 million, including over $10 million during 1971.

During the administration of R. Alton Reed, the Annuity Board eliminated its "unfunded liability"—which means that potential claims for benefits exceeded assets. The Board is now in a position not only to fully meet every outstanding contract with members, but to grant Good Experience Credit as well.

The Annuity Board offers a protection plan for disability, death, and retirement to cover every pastor, church staff member, and denominational agency employe. Many churches help by paying in full the dues for their pastor and staff.

Retirement contributions may be made on the full salaries of pastors and other personnel by taking advantage of Plans B and C as well as Plan A. Information on the Annuity Board may be secured by writing its development office, 511 North Akard Building, Dallas, Texas 75201, or by contacting the Annuity Board representative of your Baptist state convention.

HISTORIAN REPORT

1971-1972 has been a good year in our association and we have much to be thankful for. We should rejoice in the progress that we have made and plan to strengthen our weak places.

When all letters are in, we should report 1200 or more Baptisms for the year. Only a few reported none but many had a good report with six having the most baptisms for the associational year being Deaverview - 34; Grassy Branch - 35; Biltmore - 40; Asheville, First - 55; Bent Creek - 61; and Merrimon Avenue - 90. Many of our smaller churches did equally as well or perhaps better according to their resident membership. We certainly hope this number of baptisms will mean an increase in our church enrollment and also in our various church organizations, especially in our Sunday Schools.

We are glad to see that our total receipts for the year have increased and that our churches average giving over 10% to the Co-operative Program. However we were disappointed to note that about 25% of our churches did not support this program last year. Most of these churches did give direct to the various causes included in the Co-operative Program for which they are to be commended. This shows that our churches contribute about 20% of their total receipts to missions.

Over 60% of our churches are supporting our associational mission work but we are looking forward to a much better report next year. Every church in our association should make some contribution to this work as I'm sure every church profits from this phase of our work.

We are glad to include in our report that several churches have started a bus ministry during this past year. Many of our churches have also added mission ministries in their church program as services to our prisons, Juvenile Evaluation Center, nursing and rest homes, and other places. It should be of interest also to note the number of men licensed and ordained to the preaching ministry during the past year.

We rejoice with our many churches which are adding to, renovating, or building new sanctuaries, educational buildings or other additions and improvements. The total property value of our church property is now over 14 million dollars with an indebtedness of only about 2 million. It is fine to see that more of our churches are building or providing pastoriums so that more than 60% of our churches provide a home for their pastors.

Your historian cannot report on all the items in our church letters but would urge our members to secure a copy of the associational minutes and spend some time in reading. You will be a better informed member if you do.

The following churches reported items of historical interest, which we are glad to include in this report:

Arden - First services in their new sanctuary was held in January, 1972 and dedication services were held in June, 1972.

Asheville, First - A medical clinic has been added to their many services.

ORDINATION COMMITTEE

The Ordination Committee of the Buncombe Baptist Association was called in session five times during the past year to examine the following men for Ordination to the full gospel Ministry:

Robert T. Parsons, Oakley Baptist Church
Ford Davis, Turkey Creek Baptist Church
John P. Franklin, Jr., Lakewood Baptist Church
Jim Collins, Victory Baptist Church

Horace L. Smith, Chairman

WOMAN'S MISSIONARY UNION

The effort of Woman's Missionary Union in the Buncombe Association for the year, 1971-72, has truly been in keeping with the watchword, "All will openly proclaim that Jesus Christ is the Lord, To the glory of God the Father (Phil. 2:11 TEV)".

The year began with more than 200 attending Leadership Institutes in October and four quarterly WMU Executive Council meetings were held. Dr. Eugene Poston, President, Gardner-Webb College, as guest speaker for the annual meeting, Calvary, April 24, 1972, came with a spirit and message that will be remembered through the years to come. One regrettable fact should challenge us to action; less than half the churches listed as having organized mission activities were represented. The other thing which gives us much concern is the large number of churches with no organization to emphasize systematically the Great Commission.

Baptist women are being led by Mrs. Vance Miller who did an excellent workshop during the leadership institutes. Baptist young women are doing the unusual under the direction of Mrs. Peggy Ferguson and this effort meets the need for this age group; it is seemingly the solution for which W. M. U. members have long sought. At this point we would like to point out that support from pastors for these groups is really helping to get the job done; the increase in special offerings is true evidence.

Acteens under the directions of Mrs. Beverly Angel and Mrs. Sue Barron have had an exceptional year. Our association was represented on the MAT team for the state. Miss Debbie Holbert, Beverly Hills, worked for 10 days under the direction of Jolene Ivey, state Acteens Director, in Vacation Bible Schools and personal witnessing. A prayer retreat at Lake Junaluska was attended by over 100 girls. This was a most memorable occasion and another was requested by the girls themselves.

Our associational Girls in Action Director, Mrs. Robert Barnes, also serves as a state approved GA worker. She directed a Missions Adventure Fair at Arden on February 12 with 166 girls in attendance representing 17 churches, followed by a quarterly meeting held at the First Baptist Church in April.

Mrs. Mildred Smith served as director of the Missions Friends conference in the ledership Institutes for Mrs. R. W. Pace who had illness in the family.

Our Association was well represented at the State Leadership Institute, Munda Vista, and the annual State W. M. U. Convention in Winston-Salem.

The scholarship of $100 to Fruitland was given by Rev. Bynum Orr, Jr. who was pastor of Woodfin at that time. The VBS work under the direction of Mrs. Alcovia McCall, interracial worker, was given $100 and results were thrilling indeed. In one school for which this gift helped to purchase literature, there were 31 professions of faith. The progress fund has been increased from 25c per member to 40c or 10c every three months. How little could we ask of each member of Woman's Missionary Union? - Since God has so richly blessed every minute and every penny given, there are no words to express the challenge before us.

Mrs. Wesley B. Sprinkle, Director

MUSIC REPORT

The Music program of Buncombe Association involved many churches and many people. The Children's Choir Day Camp was held August 9-12, at the West Asheville Baptist Church. There were 134 in attendance with an average attendance of 102. A worship service of music was held on August 12 with six choirs singing; Don Welborn was the director.

The Youth Choir Retreat was held in the spring with approximately 200 youth in attendance from many churches. Adrian Littlejohn from Gastonia First Baptist was the guest director of the Youth Choir. The recreation for the retreat as well as many other details were well planned by Al Mellnik of the Hominy Church.

Eighty singers from eleven churches took part in the presentation of Dubois' SEVEN LAST WORDS at Easter time. This was presented in the Merrimon Avenue Baptist Church with Mr. Charles Gatwood, directing. Organist was Mrs. Sharon Broome; soloists were Elaine Buckner Tudor, Mike Williams and Bill Thomas. Mrs. Dorothy Wells was harpist.

An organ-piano festival was directed by Mrs. Stanley Buckner. This was beneficial to all who participated.

M - Night music was planned by Mike Williams.

We shall continue to plan those events which will benefit our churches. Any member of the Music Committee is available for conferences or to offer any assistance.

ASSOCIATIONAL BOARD — 1971 - 72

The Associational Board met each quarter in regular session. All regular reports at these meetings were accepted as information. In the January meeting a request for Pastor's aid for the pastor at Bald Mountain was made in the amount of $100.00 a month. He is a student at Fruitland. This was presented by Mr. Plemmons and approved. Also, in the January meeting, Mr. Plemmons, who accepted the work of Associational Missionary for Buncombe County in 1961, offered his resignation to take effect in August, 1972. It was accepted with regret and appreciation for the work that has been done during these 11 years of service. It was also announced that Mrs. J. C. Pipes would retire in February after serving almost 15 years and that she would be working on until the last of June. A motion was made and seconded that in appreciation for her work that the Association give her a round trip ticket for a trip to the Holy Land — the group which would be led by her Pastor, Rev. John Knight.

The Executive Committee of the Association met on April 10. A Committee for the Selection of a Superintendent of Missions, previously appointed by the Moderator, was elected. They were: Rev. Joe Sprinkle, Mr. Glenn Stroud, Rev. John Knight, Rev. Lee Roy Denton, and Rev. Ollis Revels, Chairman. The Chairman reported that the Committee had already begun its work, and explained something of the procedure followed thus far, and some basic considerations that the Committee had decided upon.

At the Executive Committee meeting on May 29, the following names were submitted to the Committee on Nomination of the Baptist State Convention of North Carolina: Rev. Hatcher Elliott for Gardner-Webb College, Mr. Neal Pyatt for the General Board, Mr. D. D. Compton for the Children's Homes, and Rev. Ronnie Owen for the Biblical Recorder.

At the April 17 meeting Mrs. Pipes resigned as Treasurer and Clerk. The Committee for findings new Superintendent recommended that a salary of $12,000 be set, and that this shall include housing, utilities, travel and annuity. Motion made and passed - Committee authorized to proceed.

AUDITOR'S REPORT

The annual audit of the Associational accounts and records reveal them to be true and correct.

Total receipts have been verified against the detail ledger records. Bank statements have been reconciled with the accounting records, and the reported cash balance has been determined to be correct.

The annual financial report reflects a correct and proper Accounting of the Association's fiscal status at June 30. The records have been carefully and efficiently maintained, so as to be deserving of sincere commendation.

Respectfully submitted,
Bill Horton, Assoc. Auditor

HOSPITAL CHAPLAIN

Since the illness of the regular chaplain, Rev. W. G. Russell, M. D. Smith, J. H. Lackey, and Charles Smith have been taking care of this work. The out-of-town and country, and out-of-state visits to Baptists sometimes number as many as thirty per day on visitation days - M W F. Many opportunities to win lost people to Christ are presented, and in fact, several have actually been won in the last few months. However, there is a great need for follow-up work after these people have expressed their decisions.

A large percentage of the patients have had call-back visits. The chaplain has had occasion to assist families in crises with severely ill patients in intensive care as well as regular cases.

In view of the increasing load of this work and the opportunities presented there is a need to re-examine this field and perhaps give additional in-depth effort to its challenging ministry for Christ.

LIBRARY REPORT

In reporting on our library work this year we can not brag on the number of new libraries, but we can state we now have sixty churches with libraries, with 34 small churches throughout the mountains, without a library. Some of these will be long time starting one, others will join one by one.

We always have one or two that we are working on, 2 white and 2 Black now. Everyone of these small churches could have a library at a very small cost, especially when they can get twenty free books to start with. First Church did not have a room, look at it now. Many others have done the same thing. One dedicated Christian person and God, a Pastor in favor of a library, most of them know the value of a library, then there is no reason why they can not have one.

If you do not have a room, start with a box with lock and key, a small table and want to do something worthwhile for the children and want to see children develop into good Christians. Start a library in your church. Forget your church is small, remember "great trees grow from small acorns".

My friends in small churches sow a library seed in your church in the name of the Lord and see how fast it will grow. Have faith, courage and nothing can hold it back. The Lord wants someone in these small churches to volunteer to do this work. Buy a book with your tithe, tell your Pastor you have so much money to buy children's books for a library, then talk to the Lord about all this. You will have a library started before you realize it.

Call your Associational Librarian who is anxious to help you get started. "It can be done" in small churches.

SUNDAY SCHOOL

We are grateful for the fine group of Sunday School leaders who served diligently throughout the year. Our leaders attended training sessions at Ridgecrest, Wingate, and at Waynesville. They, in turn, led training sessions for the improvement of Sunday School work in churches and groups of churches throughout the year. Several of our workers also shared the Sunday School program with the pastors at their regular weekly meetings.

Three Real Life Sunday School Conferences were led by our corps of leaders. Two of these were in the French Broad and Yancey Associations by invitation of leaders in these neighbor associations. The third was held with Calvary Church for our own people. More than 300 workers from the churches were in attendance. A good spirit of fellowship was in evidence and many local church workers reported that they gained much from the sessions.

Brother Harold Savell led our workers in two very fine Vacation Bible School training sessions. These were two of the best clinics we have had and they challenged us to continue to improve in this vital phase of our teaching and witnessing program.

BAPTIST MEN

Jesus said to his disciples the night before he was crucified: "Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain; that whatsoever ye shall ask of the Father in my name, he may give it you."

Of all the times on earth to be living surely this is the most exciting. Methuselah lived 969 years but his life must have been drab compared to these days. So many Baptist men in Buncombe County are bearing fruit to the glory of God, it is a pleasure to work with them.

Mr. J. L. Parrish, Director of the Juvenile Evaluation Center at Swannanoa told our men of the Association how we could help with his young people. One thing that impressed me was that we could bring them out by the bus load when there is anything of interest in our churches. I am grateful for the work that is already being done by many of our churches for these young people. Sunday school classes are being taught and recreational activities are provided through leadership from our Baptist churches.

More interest is continually being shown in the men at the Craggy convict camp and their families. In addition to the Sunday School Class on Sunday morning, there is a well attended prayer meeting on Wednesday evening, and recently a Bible study on Monday evening. Men from various parts of the County are going down on Sunday morning and taking the men out for services in their churches and for dinner afterwards.

On October 25th an Associational Brotherhood Workshop was held with three Conferences:

1. Conference for Pastors, Brotherhood Directors, and church staff. Ernest Upchurch, Brotherhood Specialist, Director of the Department of Metropolitan Missions. Raleigh, N. C.
2. Conference on Baptist Men's Work — Ed Bean, Baptist Men's Specialist, Southern Bell Telephone employee, Morganton, N. C.
3. Conference on Royal Ambassador work — David Langford, Associate, Brotherhood Department, Raleigh, N. C.

Someone has said: "Keep the faith-better still, share it." So many of the churches have one night each week when they go out Witnessing, sharing Christ with people in the community. We have averaged participating in more than one lay-led revival each month during the year. If you would like one in your church, speak up.

A number of the churches are doing an outstanding work with their boys. Our Royal Ambassador Committee is being enlarged and we are planning to do a more effective work with our boys during the coming year. Our North Carolina Baptist work is being greatly benefited by Camp Caraway. The camp, which is near the center of the state, is a beautiful wooded area of more than 1,000 acres. With its modern buildings, lakes, and new swimming pool it is fast becoming one of America's outstanding camps for boys. It is also being extensively used for retreats, and family camping, all under Christian supervision and Vesper services are conducted each evening.

We have a great God! We will be singing His praises throughout the ages, why not start right now? Praise the Lord, Hallelujah!

1972 REPORT OF BIBLICAL RECORDER TO THE BUNCOMBE BAPTIST ASSOCIATION

At the beginning of this 1971-72 Associational year, there were 93 Baptist Church in the Buncombe Baptist Association. Of this number, 11 churches had RECORDER clubs included in their church budget, 25 had clubs, but individual members paid for their own subscriptions. This totalled 1,611 subscriptions from the association. However, there are 57 churches in the association without RECORDER clubs. Unless there was an oversight in checking RECORDER reports, the associational record has not changed during the year to August 26, 1972.

The other associations in the North Carolina Baptist State Convention added approximately 7,000 subscriptions making an overall total of 99,907 as of August 12. For the first time in RECORDER history, it may claim a 100,000 circulation. During this year, Rev. Woodrow W. Hill joined the RECORDER as field representative. Rev. Hill will be available for assistance in representing the RECORDER and its message all over North Carolina.

The RECORDER makes informative and unbiased reports on political candidates; it is impartial, but faithful to the young, the middle aged, and the elderly; it makes all the important financial reports; it has a "Letters to the Editor Department"; it reports on both the North Carolina Baptist and Southern Baptist Conventions so completely that returning delegates from these conventions may read the RECORDER account and learn something new. Perhaps the one thing which makes it great is the fact that it tells truthfully, the bad with the good as all Christian Religious Publications should. Both the New and Old Testaments tell it that way.

Due to increase in material costs, it was necessary to increase the subscription 50c per year to $2.50 for church clubs. Since all North Carolina Baptist Pastors receive a complimentary copy of the RECORDER,* it is suggested each read his copy and pass it to a layman. If many of the laymen in the 57 churches not having a RECORDER club knew the value of the publication, all might want it. It would not be out of order at all for the pastor to recommend a RECORDER club to his deacons, finance committee or church.

MUD CREEK

The Black Ethnic work in the Asheville area during 1972 has experienced a shift in pattern - due to living in times of diversity and "set-backs". However, the "setbacks" have been courageously used as stepping stones to higher spiritual achievements in learning how to live better with diversities of the past, present and future.

Two white college students along with three Black students from Mt. Zion Baptist Church have served as student summer missionaries at the Mt. Zion Church. Two weeks in VBS, seven weeks in Bible Week-day Camp. Ten of these Bible Camp "teen-agers" spent one week at Youth Conference at North Carolina Baptist Assembly. These workers were sponsored by the Mt. Zion Church, the Interracial Department, Home Mission Board and First Baptist Church.

Other activities of 1972 were:

1. Baptist Women's Day of Prayer
2. Youth Prayer Retreat at East Flat Rock Baptist Assembly
3. Taught New **Drums Over Africa**
4. January Bible Study
5. Promoted and conducted VBS clinics
6. Promoted and directed Associational-wide Bible Conference (5 nights)
7. Represented National Baptists in More S. B. Churches than any year.
8. Taught **Catalyst in Missions**
9. Participated in Annual WMU Meeting
10. Participated in Young Adult Prayer Retreat
11. Spent 11 weeks in Vacation Bible Schools
12. Presented National Baptist Display at WMU Fair, Ridgecrest
13. Edited Mud Creek newsletter, **The Agape**
14. Prayer Room and Crafts every Thursday
15. Week-day Bible Study - Tuesday nights
16. Group and Individual conferences - etc. . .

BAPTIST HOSPTIAL

In 1971, our Baptist Hospital admitted 17,154 patients and gave them 149,664 days of care. There were 53,643 visits to the Outpatient Clinics, including 18,323 to the Emergency Room. The clinics are operated for the benefit of the needy sick.

At the present time Baptist Hospital is co-operating with 10 other medical centers in a kidney transplantation program which has brought new opportunities for service. The medical centers are situated in states from Indiana to Louisiana. Computers are used to correlate the programs of the various hospitals. Our Baptist Hospital at Winston-Salem is primarily a "referral" hospital. That is, most of its patients, about 90% of them, are referred here by their local physicians because their local hospitals do not have the specialized medical personnel and equipment to diagnose and treat rare and complicated medical problems. For example, patients with leukemia, severe burns, and respiratory diseases and those needing open-heart surgery or a kidney transplant, cannot be given the care they need in many hospitals and must be referred to a medical center which is staffed and equipped to meet such needs.

Patients at the Hospital and many others who are sick and troubled benefit from the ministry of the 1,454 graduates of the School of Pastoral Care. Of these 583 are living in North Carolina. The graduates include ministers, chaplains, missionaries, and others who have been prepared in the School for serving those who are sick and need counseling because of severe crises in their lives. The Hospital's Department of Pastoral Care is supported in part by funds received through the

Cooperative Program of the Baptist State Convention of North Carolina. Cooperative Program funds also are used to purchase exceptional equipment for use of the Hospital's physicians in the care of the patients. Our Hospital's share of the Cooperative Program funds in 1971 was $263,000.

Fortunately, most of our medical needs are simple enough that they can be met in local hospitals located near us. But when those special medical problems arise, we are grateful for a facility like Baptist Hospital to which we may be "referred".

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1972

The child care and family service ministry of the Baptist Children's Homes in Western North Carolina is an exciting and rewarding experience. Children, to whom we minister, are responding in a wonderful way to the Christian love and care provided them.

Broyhill Home in Haywood County, opened last year, has served to strengthen all of our services to children and members of their families in the Western area of the state. This facility has been a blessing to the twenty-nine children who live there as well as those who have made it possible. The children have adjusted readily to school, church and community life in general. They are happy with the beautiful and comfortable cottages in which they live and with the care afforded them by members of the staff.

Through the generosity of many friends, we have under construction two additional cottages at Broyhill Home. One is being made possible by the people of the Haywood Baptist Association—the other by members of the J. E. Broyhill family of Lenoir for whom the campus is named. When completed in December of this year we will have four cottages with a capacity for slightly over fifty children. Remaining to be built is the administration building and a home for the local superintendent.

The Maternity Home in Asheville has been in operation for two years and has met a great need in the lives of the more than thirty girls with whom we have worked. Many lives have been changed for good for time and eternity as a result of this ministry. There will be a continung need for this as a maternity home and for teenage girls who can use this group care facility.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding rewarding stewardship opportunities through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children.

It shall be the purpose of the Homes in the future, as in the Past, to provide a strong child care and family service ministry in an effort to meet the needs of those who turn to us for assistance. Your continuing interest, prayers, and support are essential to this vital ministry.

EVANGELISM REPORT — 1972

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. 6,000 youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations have already confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years. The big event of the year was our Lay Evangelism Schools held May 1-4, 1972. A summary report follows:

Host Churches: First, Swannanoa; Merrimon Ave.; Grace; Pole Creek; Newfound.

Directors: Grace-Jimmie D. Henson, Assoc. Dir. of Evangelism, Raleigh

First, Swannanoa-Elliott Stewart, Trinity Baptist, Trinity, N. C.

Merrimon Ave.-Billy Cline, Pastor

Pole Creek-H. Z. Ferguson, Thomasboro Baptist, Charlotte

Newfound-Bobby Deviney, Broad River Baptist, Blacksburg, S. C.

Churches Participating-23; Persons enrolled - 406; Professions of Faith-reported on Thursday evening - 8; others made professions of faith at Newfound. It is our sincere hope that many more of our churches will have Lay Evangelism Schools in the years ahead.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications and the Division of Church Programs sponsored a Statewide Communications, Evangelism, and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

Almost 20,000 youth, pastors and adult leaders are expected to attend the 2nd statewide Youth Evangelism Night on August 18 at the Greensboro Coliseum. It is evident that God is working through Christian youth today to share His Gospel in a thrilling significant manner.

Let us rejoice in the excellent reports of revival meetings, citywide evangelistic crusades and associational evangelism clinics during the past year. It is our hope and prayer that we shall continue to have a strong increase in baptisms this coming year that many more persons may experience Christ by genuine faith commitment.

The 27th Statewide Evangelism Conference will be February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

Respectfully submitted,

C. R. Pierce

BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undegirding all of our Baptist work.

Any property owner who wishes to do so - Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property, (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

In our Baptist Homes for the Aging, we feel that there is no relationship more important than the one that we have with our Baptist people in our Baptist Associations througout the State. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving. It is with a deep sense of gratitude to the Lord and to you that we bring this report on our Baptist Homes for 1972.

This has been the best year that we have ever had in our twenty-one years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Home during the past year derived almost 30% of the total operating budget in the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Home are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accommodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro, He and Mrs. York gave $30,000.00 for the construction of this new wing, and the additional money needed was raised by the Trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

(The above is a copy of the report sent by Rev. Bill Poole, Superintendent of N. C. Baptist Homes for the Aging. Your committee is working on plans for a Home in Buncombe County. Several people have made pledges for the Home and we have some money on hand from wills. We are looking for land that is suitable to build a home on and we have had several meetings with the officers of the home. If we can purchase the land and get enough money to build and equip a home we feel sure the board will take it over and operate a home in Buncombe County.)

CHRISTIAN HIGHER EDUCATION

With a total enrollment of 16,609 in our seven Baptist Colleges and nearly $2,000,000 in Cooperative Program Funds, North Carolina Baptist churches supplied about $116.00 per pupil in 1971. This is a rather small investment in Christian education. As private (non-State) colleges struggle to keep alive, we must give them greater support.

At the present time there is a very strong emphasis on the word "Christian" in relation to our Baptist Colleges. There is a very real concern for the development of young men and women for full-time Christian vocations; concern for training our youth in undertaking positive Christian positions of influence in our secular society.

Meredith College has a new president, Dr. John E. Weems.

Gardner-Webb has received accreditation as a four-year college.

Seventy young men and women, supported jointly by the colleges and churches have served effectively in the Baptist Youth Corps.

More urgent than the need for funds is the need for prayer. Pray that more and more of our colleges shall perform a powerful Christian function in our time.

Rev. H. S. Elliott

COOPERATIVE PROGRAM

The Cooperative Program is you sharing your money with the church. It is a part of your tithes and offerings which are given to the church. It is a part of that which comes from dedicated lives and overflowing hearts. It is dollars that come from many people that work in many places of service. Yes, it is money from those living the Word, sacred money given by free people like you.

The Cooperative Program shares the love of God through thousands of state, home and foreign mission workers seeking to build a church in every community of the world. It shares this love through more than 6,000 state, home and foreign missionaries. It was used to help bring over 66,000 to Christ in Baptism last year. Yes, you have a share in this through your gifts to the church.

The Cooperative Program shares the love of God with students. It trains leaders by helping give scholarships in 821 foreign, home and state mission schools. It is sharng the word to over 100,000 pupils attending these schools.

The Cooperative Program is the Living Word in Practice. It is giving a drink of water to a thirsty child. It is you living the Word by rendering in service, through 21 Baptist hospitals and 105 clinics in foreign countries and United States. It is the living Word that is helping 8,000 homeless children and 2,300 elderly people with shelter, food, clothing and the other necessities of life through 21 orphanages and homes for the aged throughout the world. Yes, it is you living the Word in many places.

You are doing a lot through the Cooperative Program but you can do more.

Rucker Burnette, Chairman

BUNCOMBE BAPTIST MEMBERSHIP COMMITTEE REPORT

The Membership Committee of Buncombe Baptist Association along with the Missions Committee and the Superintendent of Missions met on February 6, 1972 with the pastor and deacons of the Friendship Baptist Church of Asheville. The purpose of the meeting was to discuss the possibility of the church beginning a cooperative relationship with the Association.

In a formal application dated Febrluary 13, 1972 this church requested acceptance into the fellowship of the Association. This application along with a copy of the Church Covenant and Articles of Faith adopted by the church are now on file in the Association office.

In compliance with the provisions of the Constitution and By-Laws of the Association with a view to full acceptance next year, the Membership Committee recommends that the Friendship Baptist Church be received under the watch care of the Association for one year during which time the church shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

CHURCH TRAINING

Our theme for Church Training has been TRAIN TO WIN with emphasis on the scripture verse Acts 1:8. Learning to be an effective witness is a very important part of the training program of the church.

The members of the Church Training Council met each quarter to make plans for the promotion of our work. A conference meeting was held in August at the Mt. Carmel Church.

A most inspiring message by the Rev. Charles Maples, Pastor of First Baptist Church, Gatlinburg, Tennessee, was enjoyed by those who attended our "M" Night meeting. Our attendance was 541 with forty-two churches represented. Westwood Church won the achievement banner with a good report of 280 points. Buena Vista won the attendance banner.

We met with Ridgeway Church for our Youth Night meeting. We had an attendance of 329. Victory Church, who won the attendance banner, had fifty-six present. A great interest was shown in the Bible Blitz. Twelve churches consisting of teams of four participated. We have been told that individual churches promoted the Bible Blitz throughout the state, but the Church Training Department in Buncombe is the only one to promote it as an association.

Three children from Beverly Hills participated in the Scripture Exploring Drill. We congratulate them and encourage more of our children to enter this tournament.

"Lift up your eyes, and look on the fields; for they are white already to harvest." Let us TRAIN TO WIN.

Mrs. Orville Myers

Church Training Director

REPORT OF THE ASSOCIATIONAL MISSIONARY

As I come to give my final report I do so with mixed emotions. There were many things I wanted to do but did not have the time nor the strength to do. Breaking ties with loyal, dedicated associational officers and co-workers isn't easy. For these more than eleven years I have had the privilege of working with the finest group of pastors and leaders to be found anywhere in our Convention. To all of them I say loud and clear a great big THANK YOU. You have been gracious and kind. You have overlooked our many mistakes and continuously prayed for us.

As we turn our faces to the future we are very fortunate to have one of God's choice servants to lead us. Let us pray for him and give him our support as you have given me these years.

God has great things in store for the Buncombe Association. There are areas untouched waiting for us to enter. Let us seek the guiding and empowering of His Holy Spirit and accomplish great things in the great and strong name of Jesus.

Respectfully submitted,

Erskine V. Plemmons

41. Mrs. John Knight, Chairman of the Resolutions Committee presented three resolutions to the group. Each one of them passed. They were as follows:

Whereas, North Carolina citizens will go to the polls on November 6, 1973 to determine whether or not Liquor-By-The-Drink can be sold in North Carolina;

Whereas, there was evidence of whiskey-at-the-wheel in over one-half of the 1,981 traffic deaths in North Carolina last year;

Whereas, states with by-bottle and by-drink sales sell 34% more liquor than states with by-bottle sales only;

Whereas, Liquor-By-The-Drink could immediately increase the number of liquor outlets from 324 to 3,000 and under LBD individuals could make up to 400% profit on sales of mixed drinks;

Therefore be it resolved that the Buncombe Baptist Association in Annual Session go on record as opposing any liberalization of our liquor laws whatsoever.

Be it further resolved that we urge our churches to give money and man-power to defeat the Liquor-By-The-Drink bill.

Be it further resolved that we respectfully request our citizens to vote against Liquor-By-The-Drink in North Carolina on November 6.

Be it further resolved that our clerk send a copy of this resolution to BACK-TALK, THE ASHEVILLE CITIZEN; and to the Christian Action League, to every church, and to all possible news media.

Whereas, the Asheville City Council is presently considering the Sunday sale of beer and wine;

Whereas the New Testament sets aside Sunday as the Lord's Day;

Whereas, absenteeism at work on Mondays is already an alcohol-related problem;

Whereas, any increase in acceptability, availability, sale, or use of alcoholic beverages adds to problems caused by alcohol, our number one drug problem:

Therefore be it resolved that the Buncombe Baptist Association in Annual Session go on record as opposing the Sunday sale of beer and wine.

Be it further resolved that we respectfully request our City Council to vote for the present law against Sunday sales of beer and wine in the City of Asheville.

Be it further resolved that we send a copy of this resolution to the Mayor of Asheville, the City Council of Asheville and THE ASHEVILLE TIMES, TELL IT TO THE TIMES, and to all possible news media.

Be it resolved that this ninety-second Annual Session of the Buncombe Baptist Association express gratitude and praise to "the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ"(Eph.1:3)

Be it further resolved that we express special appreciation to:

The Pastor and people of the Reed Memorial Baptist Church for being gracious hosts to our Monday evening session.

To the Pastor and people of the Pole Creek Baptist Church for the welcome extended on Tuesday, for the delicious meal, and the road signs.

To our Associational Superintendent of Missions, Brother John Hicks and our Associational Secretary and Education Coordinator, Mrs. Hicks for their faithful and efficient work through the year.

To our very able Moderator, Brother Edgar Ferrell for his gracious presiding over the excellent sessions.

To Brother Harold Savell and his program Committee, Brother Allen Cantrell and those who helped with the music, and all those on the program.

Be it further resolved that we go to our homes and churches determined to Share His Love Now.

Respectfully submitted,
Mrs. John Knight
Neils Larsen
Mrs. Charles Smith

He read from Hebrews the 11th chapter and led in a Memorial Prayer, thanking God for these who have blessed our lives through the years.

44. The Moderator then recognized the new Moderator, Ollis Revels, who led us in the Benediction.

EVANGELISM REPORT:

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium. Charlotte—February 5-7, 1973. Over 2,400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

The Division of Evangelism has encouraged churches to participate in KEY 73. One hundred and fifty denominations are sharing in this evangelistic effort. The purpose of KEY 73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students—Steve Stout, Cooleemee; Terry Crouse, Lenior, and Christy Farrior, Williamston, are leading in music, preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

Over 16,000 youth, pastors, and adult leaders are expected to attend the 3rd Statewide Youth Evangelism Night at Greensboro Coliseum on August 17. It is exciting how God is using the witness of thousands of Christian youth across our state in a tremendous manner.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also, 107 pastors from nine associations shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools.

The Division of Evangelism in cooperation with the Department of City and Metropolitan Missions will sponsor a Metropolitan Missions and Evangelism Seminar on October 1-2 at Southeastern Baptist Theological Seminary at Wake Forest with the theme: "Reaching the Cities for Christ".

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms, C. P. gifts, Bible Study enrolment and Assoc. Missions gifts.

W. C. Lamb, Director Evangelism—Baptist State Convention

SUPT. OF MISSIONS REPORT:

This first year in this place of service has been filled with new learning and growing experiences. I am indeed grateful for a great host of hard-working, dedicated Pastors and their co-workers in the churches who have so beautifully worked along with us for Kingdom advance. Our fellow associational workers have given unselfishly of their time and talents for the good of our program on the associa-

tional level and in the churches. We thank God for every one of these wonderful leaders. The future is bright for Buncombe Baptists as we determine to share more with one another in order that all together we may advance in witness and in service.

John G. Hicks
Supt. of Missions

REPORT OF EDUCATION COORDINATOR:

Our new conference room on the ground floor level of the Baptist Building paid dividends for the good of several churches. Twelve conference and workshop sessions were held during the year. Other rooms are taking shape on this level which hopefully will pay richer dividends in the future.

Dr. Thad Dowdle of our Oakley Church taught a good Seminary Extension Course beginning on June 24. Three pastors, one assistant pastor, and others who are entering the ministry were enrolled (total of nine). Pastor Dowdle taught Preaching 113 and helped these men greatly as they prepare for the ministry.

Pastor T. J. Gasperson led out among the pastors in enrolling approximately 30 in a church administration course which was geared to assist the ministers in their daily task in the churches. Two good leaders from Nashville (Drs. Owenby and Barrie) led in these meaningful sessions.

Pastor Harold Savell led us in two excellent V.B.S. Clinics with over 400 attending both sessions. This was the second largest attendence in the state at Associational V.B.S. Clinics.

Miss Ann Elliot, our summer V.B.S. worker and Youth Missionary led in 8 Mission V.B.S. schools, 2 Bible Camps, and 2 Associational Youth Nights for the Buncombe and Mud Creek Associations. Mrs. Alcovia McCall, our Inter-Racial Leader gave her vital assistance in the Mud Creek.

We are most grateful for the Associational Directors who assist our educational organizations in the churches and for the help they render. We appreciate, moreover, our convention personnel who place education conferences easily within our reach in the Buncombe. These provide excellent opportunities for leaders in the churches to secure the training needed for continual advance.

Mrs. John G. Hicks
Education–Coordinator

INTERRACIAL MINISTRIES:

The Committed of Mud Creek and Buncombe Baptist Associations continue to cross Cultural, Religious, Geographical, Social, Scarce Resources, and Economic Barriers by sharing the Word with the people. It is imperative that this Cooperative Ministry Extend Now. "The night cometh when no man can work" John 9:4b. Building bridges to people is a must today! This is being done in several ways:

First, through training workshops, clinics and retreats. Twenty-two adult leaders from Mud Creek attended the State Vacation Bible School Clinic at Wingate College last January 1973. Those who were trained directed and led in Associational wide V.B.S. Clinic in March.

Mrs. Myra S. Motley and the State Staff held a week training workshop in May at Rock Hill where eight churches participated. This was of extreme value and an experience greatly appreciated.

The Annual Sunday School and Church Training Congress was held in May.

Secondly, barriers were crossed through an Intergrated V.B.S. Staff of fourteen workers (four white churches involved) in a six week Bible Camp program, which is held each summer by Dr. John W. White, pastor of Mt. Zion Missionary Baptist Church. There was an enrollment of 149. Nineteen teenagers enrolled met at night for Bible study, music and recreation.

Thirdly, bridges were built by the response to meet the scarce resource needs. The Associational WMU contributed $125.00 which met the needs in several churches for materials and transportation.

The Gleaners' Sunday School Class of Calvary continued to share, as they have each year, to cross barriers by furnishing V.B.S. materials to one of the Mud Creek Churches. This has become a great blessing in human relations.

The Sarah Wilson Mission Group of Calvary contributed $30.00 toward V.B.S. materials to another small church. Also the Enka church gave $45.50 to Interracial work.

The Buncombe Associational Office helped with the salary of two college student summer workers, one, Miss Priscilla Jones, who served three weeks in Bible Camp at Mt. Zion in the Pre-school Department. The second, Miss Ann Elliot, who not only knew how to build bridges to people, but who knew, equally well, how to cross many different kinds of barriers.

One rewarding trend today in crossing barriers is to identify yourself as a Companion Church, or Companion Group who will share common interests together. We must not only learn to love, but to be willing to be loved, not only to give but to receive.

Please let me thank you for your fine cooperation in the Interracial Ministry of our two Associations. I am looking forward to the time when we may have a Joint—Associational Annual Session!

Let me challenge each of us to get out where the people are, in the midst of all these areas, and say "Hi" brother.

Respectively,
Alcovia O. McCall

SUNDAY SCHOOL:

Sunday School work in the Buncombe Baptist Association was progressive in 1972-73. More and more, churches are realizing the importance of Sunday School work as the "outreach for Jesus Christ in the Community."

The Leaders of the Sunday School work are to be commended for their dedication and commitment. Emphasis on teaching God's Word effectively was a recurring theme at each Sunday School Council meeting. Training the leadership is also a top priority.

Highlighting the Sunday School work in 1972-73 was a very successful Vacation Bible School Clinic led by Bro. Harold Savell and assistants. Over 400 workers were in attendance for the V.B.S. Clinic sessions, which was the second highest in attendance across the state!

Another successful Sunday School event in 1972-73 was the "One Night Sunday School Revival" which was promoted by our state convention across the state. The Buncombe Association "One Night Sunday School Revival" was held at the First Baptist Church in Asheville on Monday evening, March 19. Over 800 Sunday School Directors, pastors, and other Sunday School leaders met for a

period of challenge and inspiration through song and message. Over 500 commitment cards were signed by those attending to go back to the local church and promote evangelism and witnessing for Jesus Christ!

The Buncombe Baptist Association was represented at the Sunday School Leadership Conference at Ridgecrest July 29—August 4, 1973. It is a fact if Sunday School work is to grow and progress, the leadership in every local church must be informed. Make your plans now to attend the Sunday School Leadership Conference at Ridgecrest in 1974!

Gayle Brown,
S.S. Director

REPORT OF CHRISTIAN RECREATION:

Church recreation is a wholesome form of relaxation that can help one to find release in a tension-filled world. It brings Christians together and helps them to become better acquainted. Church recreation affords people a time to enjoy life together in the Spirit of Christ who is the giver of life and expects us to be proper stewards even of our leisure time. Our philosophy is not just to have 'wreck-creation' but 're-creation' into the likeness of Christ as we learn not only how to pray together but how to live together as well.

This year we had a total of twenty-four church teams involved in our Associational Softball League. These twenty-four teams were broken down into twelve Men's teams, eight ladies' teams and four boys' teams.

This form of recreation brought people together from all over our association and allowed meaningful fellowship in Christ to be established.

CHAPLAIN'S REPORT: Hospital

The average number of patients seen three days a week, Monday, Wednesday, and Friday is around fifteen. Some of them are from far away places who are here on a visit with relatives or vacationing. Some of them are college students at Mars Hill, Cullowhee, or some other school. Some are from Ridgecrest as participants or as a staff member.

The vast majority, however, are from the immediately surrounding counties and from Buncombe.

One day I was surprised to come upon a person who knew my good friend J. C. Pipes. She was a school teacher forced to resign because of bad health.

A couple had been married only six months and I was asked to visit them both in the intensive care unit. The man was bundled so much you could not tell his identity. Then visiting his wife she said, "Please pray for me." She seemed even worse. Just recently she was back in the hospital for a skin operation, and he, showing some few scars, was by her side. I reminded them of my visit a year or more ago.

Most of the patients are church members but occasionally a person claims to be nothing, as one man did one day. We give our testimony to them and leave the rest in God's hands.

One of the delights of the work is the help of Mrs. Mary Shaw. Few hospitals

have an arrangement like that and we should be most grateful. Without her work we would be helpless.

Gratefully submitted,
Charles W. Smith, Chaplain

MUSIC REPORT:

A very good and full year was planned by our associational music committee. Some of the projects planned were: 1. Choral reading workshop 2. Youth Choir retreat and 3. Junior choir day-camp. These alone provided leadership for children through adults which has been a primary goal of the music committee for many years. Without the aid of the Ministers of music and lay leadership, many of the projects would not have been so successful. I would like to thank the churches for sharing so freely and participating in the program this past year.

Allen Cantrell
President, Music Committee 72-73

CHURCH TRAINING REPORT:

The Church Training Council met each quarter at the Baptist Building for food, fellowship, and planning. The Associational officers have been busy, but there is still much to be done.

There were 511 in attendance at our "M" Night meeting which was held at Calvary Church. There were forty-two churches represented. Those who attended were blessed with a message by Mrs. Winston Pearce. A drama, TRAIN TO SHARE HIS WORD, which has been our theme, was given by members of different churches in our association. Bent Creek was winner of the achievement banner, Calvary the attendance banner, and Zion Hill the percentage banner.

Our Youth Night meeting, which featured the Bible Blitz, was held at the Swannanoa Church. We had one hundred sixty-nine present. Victory won the attendance banner. The Enka team placed first in the Bible Blitz, and Hominy placed second.

Two from Beverly Hills and three from West Asheville Baptist participated in the Associational Scripture Exploring Drill. Each one advanced to the State Drill and was winner there.

District Training Schools were held in the Hominy, Enka, and Mount Carmel districts. Good reports were received from each one. Our goal is a training school for each district.

Several people from our Association attended one of the Church training weeks at our State Assembly at Ft. Caswell.

Let us pray for guidance and wisdom as we TRAIN TO SHARE HIS WORD.

Mrs. Orville Myers
Church Training Director for BBA

LIBRARY:

We did not get to start many new libraries this past year, but are prepared now to help you get started on one for as little as $5.00. And, if you do not have a room

for it, I can furnish or lend you a cabinet 75 or 250 book capacity.

If you WANT A LIBRARY in your church, give me a call and I will be glad to run out and help you get started on one.

Any church can start and develop a library by organizing material you already have and by ordering available free and inexpensive materials and by taking advantage of the free library offer from Nashville, Tennessee of 15 books, and I will also give 5 books. Take advantage of this offer "while the iron is hot."

Respectfully submitted,
M. H. Cox, Associate Librarian

WOMAN'S MISSIONARY UNION:

During the past year more than 3800 women and young people along with laymen and pastors in the Buncombe Association have been studying, serving, and giving of themselves to spread the gospel around the world. "Heralds of Christ", topic of the W.M.U. hymn for the year, is descriptive of their compassion for a lost world.

One sure evidence of His love in the hearts of our people is the response with money. Assistance to one pastor attending Fruitland was given in the amount of $100 and $125 was given to V.B.S. work among the black people. The reaction and results of these gifts would thrill any Christian. By way of information I would like to mention again the change of 25 cents per member to 40 cents which is an average of 31/3 cents per month for our expenses and such worthy projects as those just mentioned. I note with deep gratitude the response of 43 societies that made these things possible; however, approximately 20 societies wait to be enlisted in this phase of the cause. Costs climb continuously and we would urge district leaders to give special attention to this effort.

Meetings for the year were well attended. More than a hundred came on the last Friday night in September '72 for the Leadership Institute held with the Merrimon Avenue Baptist Church. In my experience with Buncombe Baptists since 1950, I have not seen SUCH profound interest as that which preceded the season of prayer for Home Missions. Classes were made available to every society; this effort was complimented by Rev. and Mrs. John Hicks presenting the mission study series 11 times. Dr. and Mrs. Robert Melvin from Mars Hill gave us support in the northern section of our county. Dr. Melvin is chaplain and head of the Bible department at the college.

Mrs. Hicks with many others spared nothing to make our annual meeting at the First Baptist Church on April 30th the best yet according to reports. Sara Ann Hobbs, State W.M.U. Executive Secretary, and the W.A. Mitchiners, Oxford, saturated the hearts of those present with His spirit of the Great Commission. The hospitality of the local church with the program presented made this an outstanding event of the year. The death of my youngest daughter, Shirley S. Morris, prevented my attendance.

Regular quarterly meetings have been held and work with our Girls in Action has been activated and nourished by Mrs. Robert Barnes in every way possible. Only recently 40 were in attendance for a good day together at Bee Tree. The Baptist Young Women met for at least two quarterly meetings and leadership being developed among this group is truly one of the highlights to be mentioned in this report.

Finally, His blessings brings a new leader in this division of the work. Mrs.

Robert Barnes with a full slate of officers will launch out on October 1st to lead us to new heights in the redemption of a lost world. With sincere gratitude for your love and cooperation through the years I request your earnest prayers and support for each of them.

Mrs. Wesley B. Sprinkle
W.M.U. Director

BUNCOMBE BAPTIST MEN:

Activities among Baptist Men have been pretty good during the past year. Our work among the prisoners at Craggy is most encouraging. The Sunday School Lesson is taught every Sunday morning and Clyde Tilson procures some of the best musical talent in this area for the enjoyment of the men. The Wednesday evening Bible study and prayer meeting is well attended and meets a real need. An increasing number are being taken out to the various church services on Sunday morning and for dinner,—that means so much to the men. Rev. E. V. Plemmons had an interesting experience in San Francisco recently when a former member of our Sunday School Class at Craggy took him out to dinner. He had made good and was now Assistant Manager of the 46 Story Hilton Towers Hotel.

This past year has been the best year ever for the Royal Ambassadors of Buncombe County. We are so proud of the work done by our R. A. Committee composed of: Blaine Tucker, Allen Jarrett, Edgar Yarborough, Ronald Philips, Jerry McDevitt, Dale Fisher and Ken Childers. On January 19th they secured Mr. Austin Thacker of Gadsden, Alabama, to speak at the West Asheville Baptist Church on R. A. Work. His messages were very informative and most effective. However, the highlight of the year was a well-planned, Christ-centered, most interesting R. A. Rally at Mars Hill on April 14th. They conducted local track meets leading up to the State event on May 19th. One of our boys, Rodney Roberts Jr. of the West Asheville Baptist Church, attended the 5th National R. A. Congress in St. Louis during the month of August.

Prayer is answered and a dream fulfilled in the coming of Mr. Rufus Fisher as Chaplain at the Juvenile Evaluation Center. This work is going well. We are grateful for the contribution from our State Mission funds of our Convention is making this new work possible. How thankful we are also for the continuing good work of our churches in providing S.S. leadership and other activities at the center.

An increasing number of our men are becoming involved and taking a big interest in the lay-witnessing revivals carried on by men, women, and young people. This work is becoming more effective all the time and recently eight of our local group have taken part in meetings as far away as England, Korea, and Taiwan. Saints have been revived and professions of faith in Jesus have been made all along the way. Praise the Lord! Hallelujah!

Bert Starnes, Director

ASSOCIATIONAL BOARD—1972-1973:

The Associational Board met each quarter in regular session. All regular reports at these meetings were accepted as information.

In the July, 1972 meeting the Moderator presented the name of Mrs. John G. Hicks, who was working in the Association office, as Clerk for the Association. A

Treasurer would be elected later—at the request of Mrs. Hicks, the Treasurer will be a Co-signer of the checks. Mrs. Hicks will continue to do the bookkeeping for finance. Rev. Ferrell then presented the Chairman of the Committee for securing a new Sup't. of Missions—Rev. Ollis Revels. Mr. Revels thanked the Committee for their good work—gave the qualifications of the man the committee had sought and then presented the name of John G. Hicks for the new Missionary. Mr. Revels made the motion to elect Mr. Hicks as the new Associational Missionary for Buncombe County Baptist— this was seconded by Rev. Paul Justice and was adopted in an unanimous vote. Mrs. Hicks, who was already working in the office with Mr. Plemmons was named to work with her husband in the Association. She will work mainly in the Associational office—serving as Educational Coordinator and Secretary. Rev. A. J. Buckner, led in prayer asking God's blessings on the work of the Association and on Mr. and Mrs. Hicks as they come to work with us—thanking God for the work of the past and for Rev. and Mrs. Plemmons and their contribution through the years.

It was also recommendated that we secure a Committee to look into or make a study of the possibilities of securing a Director of Christian Social Ministries for the Association. This would be voted on at the Associational Meeting.

In the January meeting it was announced that Miss Ann Elliott would be coming to serve in V.B.S. work this summer and summer Youth Missionary. She is the daughter of Rev. and Mrs. Hatcher Elliott and a student at Gardner—Webb College.

It was also announced that Mr. and Mrs. Bert Starnes would go on a mission trip to Korea where they will be helping train people in witnessing—motion was made and seconded to offer the opportunity to the churches or individuals to send in money for this trip.

In the April meeting it was passed that a Building and Grounds Committee for the Associational Building be named by the Nominating Committee of the Association. This suggestion came from the Missions Committee of the Assoc. The Missions Committee also recommended that a World Mission conference be held in 1975 in Buncombe Assoc. and that we have a joint meeting with the Mud Creek Association in 1974.

A motion was made and passed that we secure some Convention personnel to lead conferences on "Pastorial Administration and Ministries" in our Association. Also, a motion was passed that we ask the Constitution Committee and the Nominating Committee to recommend an Association Youth Council to help plan Youth Activities for the Assoc.

The Executive Committee meetings:

In the September 25, 1972 called Executive meeting of the Association the application for pastoral aid for 1973 in the amount of $1,080 for the Lakewood Baptist Church pastor. This was forwarded to the City and Metropolitan Missions Department of the Baptist State Convention.

A Committee of five members of the Executive Committee was appointed by the Moderator to meet with the new Missionary and come to an agreement concerning vacation, revivals, sick leave, free time, conventions and the disposition of honorary gifts of money received from the churches of the Association.

The Executive Committee met on May 14, 1973 for a report from the Committee to recommend a program of Christian Social Ministries for the Assoc. Rev. Earl Moseley, Chairman, gave the following report:

"The Committee appointed by the Associational Moderator to secure a Social

"The Committee appointed by the Associational Moderator to secure a Social Ministries Director reluctantly recommends that due to the lack of Financial response of the churches, we not enter into this program of Christian Social Ministries in cooperation with the State and Home Mission agencies, and that we provide structures within our present associational program to promote and carry out Christian Social Ministries." Motion was made and passed. Also a motion was made and passed to write Rev. Pinkerton (who had been working with the Committee) and Mr. Upchurch to this action and let Rev. Pinkerton know that it was nothing on his part– but just the lack of funds that stopped this full program.

The name of Sabra Clodfelter of the Beverly Hills Church was passed for student aid at Gardner–Webb College.

Edgar Ferrell–Moderator
Mrs. John G. Hicks–Clerk

AUDITOR'S REPORT:

The annual audit of the Associational accounts and records reveal them to be true and correct.

Total receipts have been verified against the detail ledger records. Bank statements have been reconciled with the accounting records, and the reported cash balance has been determined to be correct.

The annual financial report reflects a correct and proper Accounting of the Association's fiscal status at June 30. The records have been carefully and efficiently maintained, so as to be deserving of sincere commendation.

Respectfully submitted,
Bill Horton, Assoc. Auditor

CHRISTIAN HIGHER EDUCATION REPORT:

Churches and Colleges Working Together

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church- college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

Cooperative Program

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian higher education. Your colleges share this support as follows:

Campbell College	$ 340,721
Chowan College	212,951
Gardner–Webb College	249,153
Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210
	$2,129,510

THE IMPORTANCE OF BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrolment in one of the seven North Carolina Baptist colleges.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Since 1945, the cooperative efforts and relationships of North Carolina Baptist colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

Robert Mullinax, Executive Secretary on Christ–Higher Education for B.S.C.
C. R. Pierce, Associational Representative

AMERICAN BIBLE SOCIETY REPORT:

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world. Since the eternal truths of the Bible speak to the heart and mind of man, the sole purpose and mission of the Bible Societies is to make God's Word available to all men everywhere in a language and form they can easily read and understand and at a price they can afford.

To fulfill this urgent need, the Bible Societies have embarked on an ambitious program for the development of Scripture Literacy Selections to meet the rapidly mounting rate of literacy growth around the globe. This program is being built on the theme: "Let the Word Speak."

"Graded" Scriptures are being designed on five progressive reading levels to lead new readers from literacy primer levels to reading levels of the normal "common language." Before the end of the decade, these Scripture Literacy Selections will be prepared in 100 languages.

At the same time the Bible Societies are translating the Scriptures into understandable, everyday language, such as "Good News for Modern Man," the New Testament in Today's English Version, of which over 40 million copies have already been distributed—the all-time, "best-seller" in the history of paper-back publications.

In addition to "Good News," "common language" Scripture translations have already been completed in Spanish for Latin America, Spanish for Europe, Dutch, French, German, Korean, Finnish and Thai, and work on 39 similar translations in other languages is already underway. All translations are being made from the original Greek.

At the present time, nearly 97% of the world's people can secure at least a Portion (a single Book of the Bible) in their own language. Approximately 3,000 translators are presently at work on some 600 new translations and revisions. At the end of 1972 at least one Book of the Bible had been published in 1,500 languages and dialects—the complete Bible in 255.

Through gifts to the ABS, SBC churches show their deep and continued interest in providing the Word of God for people everywhere in their native tongues.

Please send all gifts from your church to your State Baptist Convention office, marked "for the American Bible Society."

STEWARDSHIP—COOPERATIVE PROGRAM REPORT:

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the life-line: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,138 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Four of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1972. These four associations were: Anson, Flat River, Tar River, and Yates.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program EACH MONTH to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, N.C. 27611.
4. Will you help us have a good STEWARDSHIP WORKSHOP in your association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an over-view of available program helps for each church in stewardship; and (3) Receive a report on where you are in YOUR GOALS for associational and Cooperative Program giving?

NORTH CAROLINA BAPTIST HOSPITAL:

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.
2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in

making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000—nearly four times the amount of the Mother's Day Offering—and this does not include the value of physicians' service, provided without cost to these service patients.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state, beginning in the near future. Your cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2½ years. As of this date, the Mother's Day Offerings are running ahead of last year.

BAPTIST FOUNDATION REPORT:

The North Carolina Baptist Foundation, Inc., is a charitable corporation chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist Work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperative Program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors, all of whom are dedicated to the best management of the sacred trust funds now placed in the Foundation. The investment policy calls for investment in quality securities with diversification, good income, and balanced growth potential.

At the fiscal year ending June 30, 1972, the cost of inventory value of all securities, notes and principal cash of all funds being administered by the Foundation exceeded $713,560.00, (real estate not included). During the preceding year, beneficiaries of existing trusts were paid $23,483.82. A total of $105,531.08 has been paid to Baptist institutions, agencies, and causes during the past five years from the income of invested Foundation funds.

For information relative to establishment of a trust fund through a gift or a bequest for details regarding a gift annuity, life income agreements, or charitable remainder trusts, please contact the North Carolina Baptist Foundation Inc., P.O. ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION:

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 percent. Just before Christmas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months' benefits. The 13th Checks are paid in addition to the regular monthly payments.

Participants in Plans A-10, A-11 and A-25 on January 1, 1973 had their accrued credits increased by 10 per cent in "good experience credit," and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state conventions) an increase in widow benefits under Plan A to 50 per cent of the potential or actual retirement benefit; previously it was 40 per cent. This increase applies to those retiring January 1, 1973 and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months (or a total of $12,000) if the participant died before age 40. The length of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973 or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross–Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Bro. E. V. Plemmons will serve next year as our Annuity Board representative. We know that he will encourage more churches and pastors to enter Annuity plans.

As of June 15, 1973 in the Buncombe Association 56 churches and the Association were participating in the Retirement Program.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA–1973:

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, socially, and spiritually. It is our hope that each child in our care will have the opporunity to develop the full potential which is his by God's creation.

Hundreds of children, scattered between Manteo and Murphy, are dependent upon North Carolina Baptists and other friends for whatever opportunities and security life will afford them. These are served from three primary centers of operation, namely: Kennedy Home in the East, Mills Home in the Piedmont and

Broyhill Home in the West. We provide assistance through group care, foster home care, family services, preschool education, higher education and maternity care.

Our services continue to be strengthened in Western North Carolina. Several additions have been made on the Broyhill Home campus. Two new cottages were completed and occupied in January of this year, increasing the capacity of that campus to approximately fifty boys and girls. The lake has been completed and stocked with Rainbow Trout. The circular drive has been extended and considerable landscaping and beautification is in evidence. An administration building and recreation building are under construction.

We need many families who will open their hearts and homes to foster children. We do not have room at Broyhill Home for all the boys and girls in Western North Carolina who need our help. Any family interested in exploring this Christian service to children should write or call our nearest office.

We are dependent upon our Baptist people and other friends for financial support through the Cooperative Program, the Thanksgiving Offering and special gifts. The increase in cost of food, clothing, supplies and services make these sources of income all the more important to our continuing operation.

It shall be our purpose in the future, as in the past, to keep faith with our Baptist people in providing a Christian home and way of life for promising boys and girls. Thank you for the numerous ways you help to make this ministry possible.

Dr. W. R. Wagoner, President
Mrs. Clyde Morris, Representative

NORTH CAROLINA BAPTIST HOMES FOR THE AGING:

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

God has brought us from one Home to five resident Homes, with two located in Winston–Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston–Salem, with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed.

Be glad also that your love gifts make possible quality care. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging.

God bless you for your share in this ministry to the aging, which is both special

and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

BIBLICAL RECORDER REPORT:

This has been another good year for the Biblical Recorder, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000—the highest in the 140-year history of the Recorder. This has been achieved largely because more churches are putting the Recorder in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the Recorder each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible—one that is attractive and filled with interesting and helpful material. In addition, news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this committee which is studying the baptism issue in our state. The Recorder will carry the full report of this committee 60 days before the convention meets in Greensboro. The Recorder's coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way—full information which comes with freedom of the press.

As you know, the Recorder has for years led the fight against liquor by the drink. Now the issue is up to the people in a statewide referendum on November 6. The Recorder will continue to give you information that will help win this fight against the liquor interests and those who would profit from liquor by the drink if this passes—which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the Recorder is, a great victory for decency will be won in November.

Those of you who receive the Recorder know what it contains each week—timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, Letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who don't get the Recorder should subscribe immediately, either by putting the Recorder in your budget for only $2.50 a year or by starting a club of four or more for only $3.00 a year. Where else can you get so much for so little?

Respectfully submitted,
J. Marse Grant, Editor

CHRISTIAN ACTION LEAGUE REPORT:

The Christian Action League is actively engaged in an all-out campaign to defeat the referendum in a vote against liquor-by-the-drink on November 6, 1973. The plan of action is to organize a local county chapter in each of the 100 counties of the State. A multi-media advertising campaign costing $250,000 is being pro-

jected to cover the State with the truth about what liquor-by-the-drink will do in North Carolina. All this is aimed at getting the people to the polls on November 6. Complacency on the part of dry supporters could be the biggest danger that is faced in this campaign. Dr. Charles Petty, who has recently moved to Raleigh from Texas and who is the Director of the Christian Life Council of the Baptist State Convention had this to say about "The Texas Story":

"In 1970 Texas approved liquor-by-the-drink sales. The vote was 52% for and 48% against.

The irony was that the "drys" won 203 counties while the "wets" wor only 51 counties.

The "drys" lost for two basic reasons. The first was they didn't work very hard. Those in urban areas said, "We can't win, so why work?" Thus, they didn't work and the urban areas were lost by wide margins.

Those in rural areas said, "We can't lose, so why work?" Thus, they didn't work and the rural areas were won by narrow margins. Unfortunately, the large urban losses offset the small rural victories which resulted in a statewide defeat of the "drys" (979,868 for LBD, 914,481 against LBD).

The second reason for the defeat was an economic one. To tell your story takes money. The "wets" had it, the "drys" did not. Thus, a one sided story was told and Texans believed what they were told. "Drys" must remember that every vote counts and every voter must be told the truth. "Go quickly and tell".

As concerned Christian citizens we can do several things:

1. Pray for the success of this campaign and for all of those who are involved in its promotion.
2. Help the local unit of the Christian Action League in your County in its efforts to inform the people, alert the citizens and get the dry vote out on November 6.
3. Give of your financial resources, of your time and talents in this most vital vote for the welfare of our State.

CITY AND METROPOLITAN MISSIONS DEPARTMENT

Baptist State Convention of North Carolina
Ernest C. Upchurch, Director

Urban Missions continues to challenge Baptists. The accelerating, revolutionary character of change has made ministry hard if not difficult. Perhaps a part of this is due to the lack of the Christian response to the present challenge. Perhaps another part may be that our attitudinal factors of true perspective are out of focus. Could it be that we have lost the ability to view life as a stewardship rather than a possession? Or the capacity to see life as dynamic rather than static?

Christianity itself is a movement, not an institution or series of institutions. Christians best refer to themselves as the people of God—persons moving along a

life path, growing, maturing, learning, coming of age.

Christians can align themselves with God in ministry in this world. We must hear what God has to say. We should respond to God's summons—get involved! Metropolitan Missions is about the task of helping churches and God's people to find structures through which the uniqueness of God's creatures can be discovered and expressed. We have ministered in Jesus' name. Yet, there are others calling to us to come over and help; in the shopping center ministry, to youth and families in trouble, to weekday missions, to literacy missions, to understanding and sharing Jesus with other faiths, to crossing barriers with the gospel, to people in poverty materially and spiritually, to flexible spiritual ministry, to ministries that glorify God. "Why stand ye gazing into the sky? This same Jesus will come again." Get to work NOW in His Name. The people of the city need the gospel too!

HISTORIAN REPORT:

The reports being filed by the churches of our association for the past year (1972-1973) show that we have made good progress in many areas of our work. We should rejoice in this and give thanks to the Lord who has made this possible. We should show an increase in our Sunday School enrollment and in our church membership. We certainly hope our number of baptisms will equal last years report for several of our churches have a fine record with Merrimon Avenue Church leading with 113, Biltmore church reported 69 and Arden Church had 52. Twenty of our churches reported 20 or more baptisms but we are sorry to see that about the same number did not have a single baptism during the past year. Many of our smaller churches show a good number of baptisms in comparison to their resident membership. The Friendship church with only 125 resident members reported 17 baptisms and Trinity Church with only 89 members reported 13 baptisms. This is a fine record for both of these churches.

Total receipts show a good increase with a similar increase in our gifts to the Co-operative Program. The historian hopes that the day will come when he can report that every church in our church is giving at least 10% to this object.

We note that 14 of our churches borrowed over $800,000.00 last year for new construction, repairs, etc.

The Bus ministry is being started by more of our churches and additional buses are being purchased by some of our churches. We are always glad to see the large number of our churches which report a Vacation Bible School with a total enrollment of over 9000 this year.

The following churches reported items of historical interest, which we are glad to mention:

REPORT OF THE SUPERINTENDENT OF MISSIONS

Here are some of the highlights of our work during the past year:

COOPERATION–We had joyous experiences in cooperation with our state convention personnel in a great Deacons' School as well as in other fine training efforts provided by our own program organizations.

QUARTERLY ASSOCIATIONAL MEETINGS–Our program Directors of the Association helped us most. With pastors and other leaders in the churches giving solid backing, we anticipate continued growth here.

INTERRACIAL COOPERATION–Meaningful contacts with Mud Creek churches were made. A beautiful service honoring Mrs. McCall at her retirement did much for all of us. Planning for a great joint fall session, and planning for a Billy Graham Crusade in 1975 caused our paths to cross and all of us were blessed thereby. Miss Terri Yarbrough helped greatly through her leadership in VBS and Bible camp work at Mt. Zion, and Mrs. Hicks worked with the Rock Hill Church and musicians from some other churches to provide music on special occasions at Rock Hill and the Buncombe WMU annual session.

CHRISTIAN SOCIAL ACTION–took several directions as follows: Cooperation with Christian Action League to assist greatly in the defeat of liquor-by-

the drink; cooperation with Asheville Buncombe Community Christian Ministry (ABCCM) to bring relief to the Murphy disaster area, and the beginning of the Department of Christian Social Ministry as a regular department in our associational program.

IMPORTANT PREPARATIONS—were made in 1974 for a Baptist Retirement Home and a Baptist Book Store for Western North Carolina. Both of these will be located in Asheville.

AT OUR BAPTIST BUILDING—improvements were made in the facilities and on the grounds, and open house was observed on a Sunday afternoon to launch the Week of Prayer for Associational Missions. Mrs. Gayle Brown assisted us in the office during the first part of the year and resigned to take full time employment. Mrs. Ruth Pipes then began part time work with us. We are grateful for the services of these ladies.

BUNCOMBE BAPTIST NEWSLETTERS—went our regularly. We are ever searching ways to improve our service of informing and promoting.

WE ARE GRATEFUL—to God for His guidance and help all along the way. Moreover, we thank the Lord for fellowship with Buncombe Baptists leaders and other workers. Our hearts swell with gratitude for Bert Starnes whose faithful, dedicated service in Brotherhood work has blessed Buncombe County and gone far beyond. In retirement he will continue to be a blessing.

YOU TOO LIVE IN A MISSION FIELD—was the promotional theme for the Associational Missions in 1974. As you have called this Missionary for this field with his wife to assist, we trust that we may ever merit your confidence and your good will, and we covet your prayers.

John G. Hicks

REPORT OF EDUCATION COORDINATOR:

On a bulletin that came to the office several months ago was the question: "Did You Know—we lose more people by the back door of poor teaching than we gain through the front door of outreach?" This has made us realize again the importance of teaching and training—education—one of the functions or tasks of a church is to educate. We go all out to reach people in outreach. With the same zeal we must be ever conscious of the need to teach and train the leaders who are guiding our preschoolers, children, youth, and adults. I believe we realize it in Buncombe. During the past year, in addition to the regular training sessions in individual churches and on the Associational-wide level, as Education Coordinator I have had 8 clinics or workshops in the Children and Preschool areas of work. Six of those have been five-hour sessions with five of these meeting at the Associational building, one of these—eight-hour sessions was on Sunday evening in a local church and one a two-and-one-half hour session in a local church. We have also had an Associational Clinic in a neighboring association. 159 people—teachers of preschool and children (grades 1-6) have been in these clinics. We had good reports of work in these churches since we studied together. I believe good teaching is going on in many of our churches; and as people are reached through outreach, they are ready to learn as prepared leaders help them to grow as Christians.

We now have in answer to your request, preschool equipment on display in a room downstairs. Come by to see this, and the curriculum materials with other books, etc. for guiding Preschoolers. We also have on display curriculum materials, etc. for the Children's Division.

Several churches have asked your Educational Coordinator and your Associational Program Directors to schedule clinics and workshops. These will be honored as time permits.

We have enjoyed some good music training sessions with the Rock Hill Church in the Mud Creek Association. In December of '73 the Rock Hill Adult and Youth Choirs presented the Christmas Cantata, "Night of Miracles" by John Peterson in a very lovely setting. Also, we had a special service of Easter Music. The Rock Hill group, with some from Mt. Zion Church, presented Special Music for the Annual W.M.U. Associational Meeting. It was a joy to work and share with these groups.

Thank you for your kind and encouraging words as we labor together for our Master.

Martha E. Hicks

MISSIONS COMMITTEE REPORT:

The Missions Committee met periodically during the past year. Matters which were reviewed included:

1. How to carry forward the interracial work since Mrs. McCall resigned.
2. Mission Committee's plans for cooperation in all work for the joint Associational Meeting.
3. Made plans for observing week of Prayer for Associational Missions with an emphasis on Open House at the Baptist Building in August. Requested the Associational WMU to lead out as hostess at Open House. They did a beautiful job in welcoming and serving refreshments.
4. Set long-range goals for the offering for Associational Missions during week of Prayer each year for the next three years.
5. Approved plans for World Missions Conference in January, '75 and encouraged churches to participate.
6. Discussed the possible showing of Old Testament studies over Thoms Cablevision. This has been accomplished.
7. Promoted the Quarterly meetings during the year.

In addition, the chairman and/or Supt. of Missions met as requested to encourage churches who were faced with some problems. All in all it was a good year.

Clyde Morris, Chairman

HOSPITAL CHAPLAIN

The faces of the patients light up when I tell them that I've come in behalf of the Buncombe Baptist Association as chaplain. We visit each patient at least once and when necessary a second time or more when surgery is necessary. We leave American Bible Society and other tracts which are made available by the secretary's office. These are given out to the others who are in the room, whether Baptist or not. Special interest is shown to the family of those who are in intensive care units or coronary. It is a joy to show compassion on behalf of the association to people whom Jesus always helped, those who were ill.

Respectfully submitted,
Charles W. Smith, Chaplain

REPORT OF RESOLUTIONS COMMITTEE

Resolution I: Be it resolved that the ninety-third annual session of the Buncombe Baptist Association express appreciation and gratitude to our Loving Heavenly Father for His many blessings through the past year. That we affirm our sincere appreciation to the following:

1. To the pastors and congregations of the entertaining churches: N. M. Avery and Hill Street, John Knight and Calvary Church, and Earl Moseley and The Deaverview for their gracious hospitality.

2. To our Supt. of Missions–John G. Hicks and Sect.-Education Coordinator, Mrs. John Hicks for their faithful and untiring service through this year.

3. To Ollis Revels, our Moderator, and all the officers and leaders in our Association, and to all the Pastors and faithful members of the churches.

4. To John Knight and Edgar Ferrell and each member of the Joint program Committee; to Don Welborn, Mrs. Ollie Reynolds, Albert Fortune and all who helped with the music, and all those on the very excellent program.

5. Be it further resolved that both Buncombe and Mud Creek Baptist Associations work for a greater fellowship and cooperation as we endeavor to work for our wonderful Lord, helping each other wherever possible. Also, that we determine in our hearts to show His love and share it with others.

Resolution II:

The Christian Life and Public Affairs Committee recommends the following resolution to the Buncombe Baptist Association.

Whereas, the strength of a nation depends in great part on the moral fiber of her people; and

Whereas, the traffic in various forms of immorality (such as homosexuality, lesbianism, nudity, pornography, and such sexual deviations as are alleged to occur in local massage parlors) is increasing daily as evidenced in the different forms of entertainment and publications; and

Whereas, a recent U.S. Supreme Court decision has redefined the nature of obscenity, thus granting the people of the land a recourse in opposing the tide of immorality; and

Whereas, there are among our local governing bodies, executive, legislative, and judicial, certain members who are undertaking in a very active manner to rid the City of Asheville and the County of Buncombe of undesirable outlets for such immorality, including massage parlors and "Adult Book Stores";

Therefore, be it resolved that:

(1) The members of the Buncombe Baptist Association give support to our elected representatives in their labor against encroachment of rampant obscenity in community and national life, and

(2) That this resolution be forwarded to the appropriate public officials, and

(3) That the members of the Buncombe Baptist Association hereby pledge their continued positive opposition to this traffic in obscenity and immorality which violates the standards and principles of Christian morality subscribed to and supported by the people of our community.

SUNDAY SCHOOL REPORT

Highlights of the 1973-74 Sunday School year:

October 8-9, 1973: Children's Workshop at Calvary Taught by Sunday School Board Personnel More than sixty people attended.

April 1-2, 1974: Vacation Bible School Clinics at West Asheville Church. Taught by our Associational Sunday School Leadership with over 360 in attendance. Second largest attendance at a VBS Clinic in North Carolina.

REACHOUT is the KEY WORD in Sunday School work in 1974-75. Twenty-six churches participated in the Associational People Search in August-September. Early reports indicate that a large number of prospects were discovered. These and other churches plan to follow-up with intense visitation in October, leading to HIGH ATTENDANCE DAY, NOVEMBER 17, 1974.

In 1975 new administration books are being released. A study of these books (colloquially referred to as "the Working Books") will be taught in our Association by Sunday School Board personnel on April 24 and 25, 1975. All of our Sunday School workers need to be acquainted with these books. Let us urge our workers with each age-group to attend.

Adults are the focal age-group for 1975 by Southern Baptists. At least one Adult Directors Meeting is being planned for February or March in 1975.

It has been my pleasure to serve as your Sunday School Director these last nine months. I want to express appreciation to all of those who have helped in any area of Sunday School work in 1973-74: the Association Staff, the Sunday School Council, each local pastor, Sunday School Director and Outreach Leader, and all those teachers, officers and members who really are the ones who get the job done. To each of you I commend you on your work this year, but challenge you to greater devotion to God and determination to do a better job next year.

Yours in Christ's Service
Loyd R. Kindiger
Associational S.S. Director

CHURCH TRAINING REPORT

During the past year we have been promoting CHURCH: THE SUNDAY NIGHT PLACE. In October we had a most interesting and informative presentation by Glenn Smith and Jimmy Dunn from the Church Training Department in Nashville. Several of our churches are participating in the CHURCH: THE SUNDAY NIGHT PLACE emphasis and we are receiving good reports from them.

Twenty-five churches have been represented in our four quarterly Church Training conferences with sixty-five people attending. We have had a time for sharing ideas and this has been helpful.

The theme for our "M" Night meeting in November was CHURCH: THE SUNDAY NIGHT PLACE. A most inspiring message was brought to five hundred fifty-nine people by Rev. James Johnson. Banners were awarded to Calvary and Skyland. Calvary received the achievement banner and also the attendance banner. They had sixty-seven present, White Rock had sixty-three and Zion Hill had sixty-one. Skyland received the percentage banner. We congratulate these churches on their good attendance and achievement.

Our Youth Night meeting was held at the Grace Church. Our attendance was

201 with Grace having thirty present and winning the banner. Our youth had studied the book, A NATION IN THE MAKING which was used for the Bible Blitz. Enka won first place and Hominy won second place.

We are glad to have some still working in the Scripture Exploring Drill. Beverly Hills and West Asheville were both represented again this year at the Westwood Church.

Our association was represented at our North Carolina Baptist Assembly in June and also at Ridgecrest in July.

Some of our districts continue to have training schools. Those having them last year were Enka, Hominy and Mount Carmel.

Pray much that CHURCH will be THE SUNDAY NIGHT PLACE in Buncombe Association.

Mrs. Orville Myers
Church Training Director

WOMAN'S MISSIONARY UNION REPORT

An inexperienced group of new officers attended the Leadership Clinic at Fruitland in August, and felt a great responsibility for the challenging year ahead. Plans were made in the first council meeting to carry out the suggested goals for the year, the Giant Step and Mission Support. Council Meetings were held quarterly.

An area Leadership Conference involving several counties was held at Beverly Hills Church in September, led by Miss Sara Ann Hobbs and her staff of state workers. This was very well attended by Buncombe women.

On November 7, the Baptist Women's World Day of Prayer was observed as an Associational Meeting, under the direction of Mrs. Kirby Whitaker, B.W. Director, and was attended by 60 women representing 15 churches. The offering was $52.40. Mrs. Cloyes Starnes, Missionary to Korea, was a featured speaker.

The W.M.U. had a time for emphasis at each Quarterly Associational Night. This was very helpful for promotion of the work. The first meeting was: "Meet Your Officers Night" with panel discussions setting forth goals for the year. The next was a: "Problem Solving Clinic." The April Night featured five separate age-level conferences. Emphasis on completing the year and looking ahead was the July evening objective. There was an average attendance of 35 at these conferences. Many churches participated.

Several Associational Officers taught the Foreign and Home Mission books in a number of churches with some churches combining for this effort.

Buncombe W.M.U. was represented at the Eighty-third Annual Session of W.M.U. which met in Winston-Salem, March 12-13, by 21 women from 7 churches. This was a wonderful time of inspiration and dedication. Two Buncombe churches received awards for W.M.U. work—Arden a Merit Award and Westwood the Distinguished Award. However, this was far short of what Buncombe Association should do. Other churches have been encouraged to strive for similar awards this year. Miss Alma Hunt, retiring this year after 29 years as Executive Secretary of W.M.U., Southern Baptist Convention, brought several inspiring messages. Tapes of these messages were brought back to share with W.M.U. groups here.

Swannanoa First Church hosted the Annual Buncombe W.M.U. Meeting which was attended by 185 people. The theme was: "How Can Anyone Go, Unless Someone Sends?" Mrs. Dwight L. Baker, missionary to Israel, had a slide program and information on mission work there. She challenged those present to do their

part in "sending." The offering was $100.39 which was used in promotion of mission work. Mrs. Larry Carter, Assistant Associational W.M.U. Director, recognized 17 churches and presented them with Giant Step Awards they had earned. Music was presented by the combined choirs of the Rock Hill and Mount Zion Baptist Churches, directed by Mrs. Martha Hicks. This was a blessing to all who attended, and opened the door to future fellowship with the Mud Creek Baptist Association.

A highlight of the year was a Prayer Retreat at Rock Hill Baptist Church, July 18. Seventy-six women from 21 churches in Buncombe and Mud Creek Associations attended. Seven women from the Mud Creek Association participated in the program. The theme was: "We Are One in the Spirit." Truly all present felt as one in the spirit and agreed that other similar meetings should be planned.

A cottage was reserved for W.M.U. Week at Ridgecrest, and 10 women experienced renewal of spirit and engaged in intensive study. Many others attended day sessions. This will give added strength to mission work in the Association this year.

The last activity for W.M.U. was arranging and serving refreshments at the Open House at the Buncombe Baptist Associational Building beginning the Week of Prayer for Associational Missions. Churches responded wonderfully to the request for "homemade" cookies and enough were left to send a generous supply to the Broyhill Children's Home.

Financial support is greatly appreciated. The progress fund sent from each church with the amount allotted from the Association has made it possible to keep leaders informed by special bulletins and letters and to conduct age-level Scholarship to a ministerial student at Fruitland.

Under the leadership of Mrs. Lois Brooks and Mrs. Marjorie Kindiger, a G.A. Rally was held at Weaverville Baptist Church one day during Focus Week in February. In spite of snow 91 girls attended. Rev. Roy Cantrell, Missionary to Cherokee, and some of his Indian girls thrilled the G.A.'s with their witness and curios.

Mrs. Carolyn Ray and her Acteens Council attended a Work Shop in Mundo Vista in November. In December a Rally was held at Enka Church with 88 girls attending. A "Tasting Bee and Cultural Share" was enjoyed at Calvary Church in April. This was also well attended. Much interest and enthusiasm for Acteens work has developed this year.

The Baptist Young Women led by Mrs. Judy Halyburton, joined the Baptist Women in World Day of Prayer, and also enjoyed a B.Y.W. Prayer Retreat at Hominy Church in January with Mrs. Cloyes Starnes speaking.

Through the dedication and efficiency of these age-level Directors, new organizations have increased by 17 this year—one B.W., four Acteens, three G.A's, seven B.Y.W. and two M.F. By unified effort the Associational W.M.U. Distinguished Award has been attained for the year. Yet much work needs to be done. There are 91 churches and 27 have no organized work. This will continue to be our concern as we accept the responsibility of trying to lead all churches in giving, praying, educating and engaging in mission projects.

Respectfully submitted,
Mrs. Robert R. Barnes
Associational W.M.U. Director

BROTHERHOOD REPORT

Jesus said: "But ye shall receive power after that the Holy Spirit is come upon you; and ye shall be witnesses unto me both in Jerusalem, and in all Judea and in Samaria and unto the uttermost part of the earth. And when he had spoken these things, while they beheld, he was taken up and a cloud received him out of their sight." Acts 1: 8-9 In other words the last thing Jesus said before He ascended back to Heaven was: "ye shall be witnesses unto me." A person may do all kinds of church work and do more good things than anyone else in the community, but if he fails to share Jesus with others he has missed the good part.

This is my twelfth and last annual Brotherhood Report to the Buncombe Baptist Association. These have been eventful years. The Baptist Men of the county have sponsored two area-wide revivals from the City Auditorium with Rev. Lane Adams and Rev. C. T. Autrey, the speakers.

Under the leadership of the State Brotherhood Officers in Raleigh we organized a Sunday School Bible Class at the Craggy Convict Camp on June 7th, 1964. These are the guiding principles for the Craggy Sunday School:

OBJECTIVES:

To organize the men of our County to:

Minister to men in prison.

To minister to the families of the inmates.

To help inmates to secure employment when released.

To assist in building a Christian home to which the men may return.

GUIDE LINES FOR THE WORK:

To work with and through the churches and ministerial groups of all faiths. Channel any information to help the pastor and church in the community from which inmate comes. This program is not a "preaching service," but Bible study.

GUIDE LINES OF HOME MINISTRY:

To ask men from the church in the local community to visit the home and determine need. To enlist the church to meet these needs. Try to enlist the family in Sunday School and worship services at the church.

This has been a most fruitful ministry. Many of the men have been saved and baptized into the churches, thus being able to take their church letter with them when they were released. A number have entered the ministry. A few years ago a mid-week prayer meeting was started which is now meeting a real need. At the present time one most interesting part of our ministry is for men in the various churches to take the men out to their church and for Sunday dinner.

In 1967 while preparing for the C. T. Autrey area-wide evangelistic meeting at the city auditorium, Donald Adcox from Hendersonville made us the proposition that if we would find 40 men in Buncombe County who would give one day a month to witnessing he would match that number from the outside.. The men were found and our first week-end lay witnessing meeting was held in the Merrimon Avenue Baptist Church. Eight similar meetings were conducted that year and we have averaged about one each month ever since—not only in Buncombe County but far and near. Last year a group of 16 of us conducted meetings in Korea and Taiwan and had rich Christian fellowship around the dinner table with about 50 of our missionaries in Hong Kong.

However, our greatest mission field thus far is England, where those dear people have literally hit bottom spiritually. Our first meeting in 1970 was held with the Queensberry Street Baptist Church in Nottingham, where Rev. Alex Steen was pastor. The Lord blessed in a marvelous way, and we have been back to some part of England every year since. Our Lord has given us a wonderful relationship, some

of them come over here each year. Last week two of the English people worked with us in a meeting in South Carolina. During June of this year Mike Smith and Gene Edmonds served as leaders of a local group consisting of Mr. and Mrs. Ray Anders, Bruce Fore, Mr. and Mrs. Dewey Holland, Charles Ledford, Kyle Shipman, and Mr. and Mrs. Don Welborn. They all came back rejoicing over the way the Holy Spirit was working in their part of England. Rev. Alex Steen has received a call from God to confront every family in Nottingham (196,000) with the claims of Jesus in the next three years. He has resigned his pastorate and is stepping out on faith or organize the pastors and lay people to help fulfill the task the Lord has given him.

A goodly number of our Buncombe Baptist Men have a mind to work and it is really thrilling to see where the Lord is going to have us serving next.

Many of our churches have a real good Royal Ambassador program, and some of our boys each year take advantage of Camp Caraway. The camp is near the center of the state and is a beautiful wooded area of more than 1,000 acres. With its modern buildings, lakes, and new swimming pool it is fast becoming one of America's outstanding camps for boys. It is also being extensively used for retreats and family camping—all under Christian supervision, and Vesper services are conducted each evening.

In submitting my final report I would like to express my deep appreciation to J. Neal Pyatt, Harold Swann, and Howard Candler who have served on the Associational Committee with me from the beginning. Also to Clyde Tilson who has worked with me so faithfully for many years in the prison ministry.

We have a great God! We will be singing His praises throughout the ages, world without end,—so why not start right now? Praise the Lord, Hallelujah!

Bert Starnes, Brotherhood Director

MUSIC REPORT

The Associational Ministry of Music enjoys a full schedule of activities each year, promoted by an active fellowship of ministers of music. There are at present fifteen members involved in this group and we wish to make it known that all full-time and part-time church musicians are invited to become part of this fine fellowship.

A monthly luncheon and planning meeting is held and during these meetings plans are made for our joint activities. In looking back over the year we report an outstanding presentation of Handel's "Messiah" in which fifteen of our churches participated along with soloists and instrumentalists from the Music Department of Mars Hill College. Also, at each quarterly associational meeting a music clinic was conducted dealing with various areas of choral work in the church. In May the annual Youth Choir Retreat was held at the Georgia Baptist Assembly with two hundred youth singers attending. The Junior Choir Day Camp promoted for many years by this group, was held in August and there were one hundred twenty-five Junior singers enrolled.

In addition to the yearly projects the Associational Ministry of Music provides music for associational meetings. Our desire is that more and more churches will participate in these endeavors and that all of our ministers of music join with us. Our aims are that we shall present glorious music in praise of God, that through the music, we shall sing the gospel of Christ's redeeming love, and that through the

music activities those who participate and those who listen will be inspired and their lives enriched.

Mrs. Glenn Starnes

CHRISTIAN SOCIAL MINISTRIES

Christian Social ministries in the Buncombe Association is a new and challenging concept. During the past year our association gave sanction to the new work and suggested the department be structured as other departments in the associational programs. A request has been made that the proper committee work with Gayle Brown, as Director of Christian Social Ministries Council of the Buncombe Baptist Association. Each pastor and members of our 91 churches have been asked to elect a Christian Social Ministries Representative to attend the four regular quarterly meetings of our association; to (1) share with other members as to what is being done in their respective churches in the Christian Social Ministries field, (2) take any printed information and ideas back to their local churches for study, approval and implementation, (3) promote in their respective church the work of the department of Christian Social Ministries and give special emphasis in enlisting members of the church in clinics and workshops in the field of this ministry.

This past year several of our churches became involved in Christian Social Ministries by providing relief for the Murphy tornado stricken area. Several truck loads of clothing, bedding, canned goods and non-perishable items were delivered to those in need. Over $1700.00 was given to help get people back on their feet.

One objective of the Christian Social Ministries department is to work with and assist the local church to express Christian love and to provide a Christian witness through special mission action.

In 1974-75 much attention will be given to achieving this objective through planning and sharing at the four quarterly associational meetings.

Gayle Brown

BAPTIST CAMPUS MINISTRY

Throughout North Carolina on at least eighteen college and university campuses full time Baptist Chaplains are serving. These Chaplains seek to be effective ministers of the gospel to all the students. Bible study groups, evangelism and worship groups are a regular part of the ministry. Retreats are an important item in the yearly planning.

Here in Buncombe County on the UNCA campus during the 1973-74 school year weekly Bible study groups were held. The average attendance was between twelve and eighteen. Two very successful retreats were conducted at Ridgecrest. These resulted in a building of Christian fellowship and a deeper commitment to the Christian faith.

Plans are being made now to seek to reach new students on the campus. This work receives support from the Buncombe Association, the Baptist State

Convention and some of the local churches. We request your prayers and hope that each church will urge its students to get involved in the Christian Student Union.

HISTORIAN'S REPORT

Only seventy-eight churches had filed their reports by September 3rd, so that the historian will fail to include items of interest of several churches. The reports that were filed were read by the historian with a great deal of interest.

Over 900 baptisms and over 4500 tithers were reported. These 78 churches reported a membership of over 33,000 but over 7,000 of these are non-resident. 48 churches reported having pastoriums with a value of over $1,250,000 while several churches reported that their pastors owned their homes. The total value of property owned by these churches amounts to over $17,000,000. Seventeen of the churches did not show a contribution to the Cooperative Program; but, with few exceptions they did report contributions to one or more of the causes included in the Cooperative Program. 66 churches reported a Vacation Bible School and 3 churches reported a Mission VBS with a total enrollment in all the schools of 8,506. The following churches reported historical events of interest during the associational year:

BENT CREEK: Construction of new sanctuary, ordained Dale Butler, Bill Linnins, and John Wilkins. Called Ray Talley as Associate Pastor. Increased number of active deacons to 30 and elected Board of Elders as advisors of financial, spiritual and business aspects of the church.

VANCE AVENUE: Purchased a lot adjoining church property.
WEAVERVILLE: New Sanctuary built.

We are glad to note these items of historical interest and trust we will have many more to report next year.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The basic purpose of the Christian Life and Public Affairs Committee is to make Buncombe Baptists more aware of the ethical implications of the Christian commitment with regard to such things as family life, moral issues, citizenship, public affairs, etc. This awareness is accomplished through pastors making congregations mindful of certain needs and by urging his people to make appropriate response.

This was a good year for Buncombe Baptists as regards making Christianity more relevant in certain areas. Because church people expressed their convictions, liquor-by-the-drink was given a decisive defeat. Again, Buncombe Baptists have taken a lead in promoting good will among the Mud Creek and Buncombe Associations. The Committee takes no credit for this, but is grateful to those who labor in this area. Also, it seems that more church people are aware of citizenship responsibilities as reflected in increased voting and respect for the law upon the highway.

Presently, Buncombe Baptist churches are beginning to gird their loins for the fight against immorality. Immorality has many faces, such as massage parlors, adult book stores, etc. Protests are being made by letter, church resolutions and community petitions. We are encouraged by this great swell of interest for social righteousness. Neither can we take lightly the Asheville City Council's desires to regulate very stringently the above mentioned parlors.

Church leadership should keep in mind the services of the Christian Life Council of the State Convention. This Council continues to be that of a resource, research, and referral agency of North Carolina Baptists. For example, this Council distributes free, upon request, a series of twenty-one tracts on the family to North Carolina Baptist churches. This resource agency can be of vital value to our churches.

Respectfully submitted,
James H. Johnson, Chairman
Christian Life and Public
Affairs Committee

ORDINATIONS COMMITTEE REPORT

The Ordination Committee met in five separate sessions to examine men for the Ministry. The Committee approved the following men and recommended that their respective churches proceed with full ordination: Hal Powell and Stanley Pegram of Merrimon Ave., Ralph May of Corinth, Dale Stewart of Gashes Creek, and Ken Mashburn of Emma.

MEMBERSHIP COMMITTEE

The Membership Committee has had no application for membership in the past year. The Oak Grove Church asked to be dropped from membership last year and the Glendale Church disbanded. This leaves the total number of churches at 91. We have 2 church sponsored missions: Revell Mission sponsored by the Asheville, First Church, and Pisgah-View (a new one) sponsored by the West Asheville Church.

The total number of baptisms reported this year 1,053 and the total present membership 37,098.

CHRISTIAN RECREATION

Christian recreation is recreation with a purpose. It is like the Apostle Paul says in I Cor. 9:26 "I therefore so run, not as uncertainly; so fight I, not as one that beateth the air." The aim of his ministry was certain. He knew what was to be accomplished and his ministry was one with a purpose. Christian recreation is a ministry with a purpose. The purpose of this ministry is to reach people with the Good News of redemption provided in Jesus Christ.

This year in our recreation program we had a total of eleven Men's softball teams and 10 ladies teams from eleven of the churches in the Buncombe Association. Through this outreach there were at least two dozen definite decisions for Christ. These were either through re-committed lives to the Lord or through first time commitments in salvation.

Our Lord used different methods to reach those who are lost in sin, and it is our Christian responsibility to be aware of the moving of the Lord in whatever means He so chooses.

BAPTIST CHILDREN'S HOMES REPORT

Western North Carolina Baptists have shared the adventure of a Christian child care ministry with the Baptist Children's Homes this year. You, in the associations, have helped us retain warm fellowship and supporting relationships by your visits to Broyhill Home; by allowing us to visit in your churches and homes; by close and frequent contacts with pastors; and by keeping up with our many activities through the pages of CHARITY AND CHILDREN. A part of our strength comes from our knowledge of your prayers and concern in a variety of ways.

This year has seen the completion of the Broyhill Recreation Building and the Wagoner Administration Building on the Broyhill Home Campus. We will need you to join us there on October 27 for a program of dedication for the Haywood and Wall Cottages, the recreation and administration buildings, and the campus itself.

Since its inception in 1971, the Maternity Home in Asheville has offered a helping hand to more than 120 girls who struggled with one of the serious crises of life. This program continues to find acceptance throughout the state and to realize success in sharing the Christian adventure with the girls who come there.

At the present time, a cooperative adventure is under study with the Green River, Sandy Run, and Polk Associations for the establishment of an emergency

care shelter. This, again, will be a helping hand for boys and girls caught in the crisis of present day society.

The continuing good will and generous support of our friends throughout the State make possible a vigorous and progressive ministry of child care. During this year, North Carolina Baptists gave more than a million dollars to Christian child care in the Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. We continue to depend on your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose personal problems are most intense.

ANNUAL ASSOCIATIONAL EVANGELISM REPORT—1974

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro—February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders will attend the 4th Statewide Youth Evangelism Night—August 16—at the Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas, is the guest preacher, and Darcy and Sharon Hodges are the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, received on the 3rd Sunday of February each year; (2) The Cooperative program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more

than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-Wide fund-raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is more pleasing to Him, we are sure!

BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year—and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history—more than 111,000—thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a

Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

COOPERATIVE PROGRAM–STEWARDSHIP REPORT

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism, with all the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Cooperative Program you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,236 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Two of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1973. These two associations were: Flat River and the Tar River.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program EACH MONTH to Baptist State Convention of North Carolina, Post Office Box 26508, Raleigh, North Carolina 27611?
4. Will you help us have a good STEWARDSHIP WORKSHOP in your association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in YOUR GOALS for associational and Cooperative Program giving?

CHRISTIAN HIGHER EDUCATION
CHURCHES AND COLLEGES ARE PARTNERS

While churches and colleges are not identical in their purposes, Baptist churches and Baptist colleges in North Carolina do their work in an atmosphere of

mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

COOPERATIVE PROGRAM

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately $2,350,000 will undergird the work of North Carolina Baptist colleges. At a very crucial and difficult time, those funds make a tremendous difference in the quality of programs offered by our schools.

BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

CHANGE IN WINGATE COLLEGE LEADERSHIP

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky assumed the presidency of the seventy-eight year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Our colleges—Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate—work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

The Southern Baptist Convention Annuity Board paid out a record nearly $16 million in retirement and protection benefits during 1973. This means that in the Board's history, it has now paid out over $100 million in retirement and protection benefits.

More than 9,000 retired pastors and other church-related vocational workers or their widows receive the benefits.

In addition, the Annuity Board set another record. This one was for funds held in trust for those participating in retirement and protection plans while still in active service. About 38,000 pastors, other church staff and denominational agency employees are included.

Funds held in trust exceeded $350 million for the first time, President Darold H. Morgan reported.

The Board issued another 13th Check, or extra benefit, for annuitants shortly before Christmas 1973. It amounted to two extra months' worth of benefits and totaled $1,187,379. The 13th Check helps annuitants, whose benefits are fixed, to meet the rising cost of living. Payment of the 13th Check is over and above the 12 contracted monthly benefits and depends from year to year on investment income.

Board officials and national market experts expected the investment picture to brighten in 1974 after a poor performance in the general stock market in 1973 resulted in a deep cut in income from investments. Investment income declined to $10 million in 1973 after hitting a record of more than $22 million the year before.

The Board's decline in equity, or stock, investments paralleled the decline in the market generally, which affected all other types of investors as well. The major market indicators—Dow-Jones, Standard and Poor, and Value Line—all were down during the year.

By comparison, the Board's investments in mortgage loans and real estate leasebacks proved to be profit-making for the year. In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment called land equity loans. Plan C is the Board's variable benefit plan, which supplements the basic retirement program, called Plan A, for ministers.

Additional information on the Annuity Board may be secured from Development Office, SBC Annuity Board, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST HOSPITAL

Our Baptist hospital is always looking for new ways to update their service to the Baptists of North Carolina and to the general public. The medical center in Winston-Salem has become one of the best medical care facilities in the nation. New equipment is constantly being purchased in order the latest treatments can be offered to the patients. This past year an EMI scanner was purchased which will make it easer to detect brain tumors, blood clots, and perhaps approaching strokes.

The Baptist hospital also has a very active Pastoral Care Department. This past year a satelite center was started in the Fayetteville area. Now their services will be available in a local community. Funds from the Cooperative Program are being used to extend these services.

The trustees of the Baptist Hospital decided in 1971 to phase out the school of Nursing. The last class graduated in May of this year.

Thousands of patients from across the state receive medical treatment at our Baptist Hospital. Many of these patients must have financial aid. Money from the Mother's Day offering is used to meet this need. A special committee of five Baptists from the Winston-Salem area assists personnel from the Business Office and the Department of Denominational Relations in administering these funds. For each dollar contributed to the Mother's Day offering, the Hospital is able to provide $10 worth of free care for some needy patient.

The 1973 Mother's Day offering amounted to $375,000. As of June, our 1974 Mother's Day gifts are running ahead of the same time last year.

AMERICAN BIBLE SOCIETY

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world.

GOOD NEWS FOR NEW READERS

Now there is GOOD NEWS FOR NEW READERS, a unique and extensive program that will provide special Scripture Literacy Selections on five graded levels, in 200 languages. It will enable millions of people to read the Word of God for themselves, as well as other reading material, for the first time, thus providing a basis for a more abundant life.

Over the next twelve years 725 million Selections will be required at a cost of over $62,000,000. Already two levels are complete in 112 languages. Their ready acceptance indicates the great spiritual hunger of the world's people and the need for these unique tools. Nothing else like them exist anywhere in any language!

WORK ABROAD

In missionary fields abroad, the American Bible Society is proving its effectiveness in areas of particular interest to the Southern Baptist Convention. Bible Society work is undergirding the activity of churches in Brazil, Nigeria, Japan, Indonesia, and other countries where the Southern Baptist Convention has active missions. Scripture Literacy Selections are being used effectively to involve more and more of the population in the Word of God. Translation and production of common-language Scriptures continues to increase as Bible Society work rapidly expands in many countries.

FINANCIAL SUPPORT

The American Bible Society is most grateful for its close and continuing relationship with the Southern Baptist Convention in the common purpose of Scripture distribution. However, the Society is facing growing demands for Scriptures in a world whose population is growing and whose people have a growing need for the saving knowledge of the Gospel.

Please send all gifts from your church to your State Baptist Convention office marked "for the American Bible Society."

CITY AND METROPOLITAN MISSIONS DEPARTMENT

The Department serves both rural and urban areas of our state.

Christian Social Missions is one major phase of the work. This ministry consists of church-community weekday missions, youth and family services, literacy missions, migrant missions and disaster relief. There are 16 missionaries jointly-employed by the State Convention, the Home Mission Board and the association in this phase of our Lord's work. In addition to these missionaries there were several jointly-employed summer student workers. This ministry exists for the purpose of bringing men to God through Jesus Christ as Saviour.

Interfaith witnessing is another phase of the Department's outreach ministry. This ministry demands skilled workmen with an intelligent and warm approach in Christian witnessing. The Department seeks to enlist and train volunteers to engage in this work.

Church extension through pastoral and lot aid assistance is a third phase of the Department's work. This is one of the oldest and continuing ministries of State Missions for urban areas.

The City and Metropolitan Missions Department is an integral part of the overall program of State Missions and is directly funded from the annual State Missions Offering. We solicit your continued prayers and support for this work. If the Department can help your church or association, please let us know.

BAPTIST FOUNDATION

Realizing that one of the greatest sources of loss to the cause of Christ has been the death of Christians who leave their estates to heirs indifferent to Christ and His claims, Baptists of North Carolina, meeting in convention in 1919, authorized the establishment of The North Carolina Baptist Foundation, Inc. It was chartered in 1920 by the State as an agency whose duties included cultivation of Living Memorials, through gifts in life and in the writing of Christian wills, and to to administer such funds in behalf of the donor supporting any or all Baptist work, locally or convention-wide.

Today, as during its early years, The North Carolina Baptist Foundation's Board of Directors is keenly conscious of the need of an enduring financial support for Baptist institutions and agencies.

The value of Foundation assets is approaching two million dollars. During 1973-74, the Foundation received gifts amounting to $150,310.15. A major portion of these gifts was for the establishment of annuity trust funds, providing income to the donor or his survivor, with the residual beneficiary to be a Baptist institution, agency, or cause. 10.08% of all gifts received during the year will eventually benefit SBC causes beyond the State.

Income distributed by the Foundation this year amounted to $47,858.74. Approximately $6,700.00 of income was reinvested by the Foundation in accordance with instructions from the donors.

There are various services offered by the Foundation, with two major ones being, the Life Income Trust and the Charitable Remainder Annuity Trust. Other services will be upcoming in the near future. Please contact MR. EDWIN S. COATES, Executive Secretary, The N.C. Baptist Foundation, Inc., P.O. Box 26508, Raleigh, N.C. 27611, or phone: 919-833-1605, if we may be of service to you.

CHRISTIAN ACTION LEAGUE OF N.C.

The officers, trustees, and the Executive Director of the Christian Action League take this opportunity to express to the members of this Association, convened in annual session, their appreciation for the wonderful support which you gave in the liquor campaign last fall. We are still rejoicing in the wonderful victory that God gave to us. To receive over 70% of the vote in our favor and to carry 97 counties in the state is remarkable, indeed. It is a tribute to the wonderful spirit of cooperation on the part of people like you across the state.

Recently one of the organizations that conducts surveys across the state of North Carolina included a question about the visibility which the League enjoyed in North Carolina. It was a three part question, but we include here only the first part since the latter two are not relevant to present circumstances. The question was included with ten other questions and read as follows:

DO YOU KNOW WHAT THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA IS?

The results were:

Yes, 80.6% No, 18.6% No Answer, 8%

Thus it is revealed that four out of five persons across North Carolina know what the Christian Action League is. The polling company had the following comment: . . . "Pretty good recognition for an organization funded mainly by . . . religious groups."

We are looking to the future. At the annual meeting in April, seven Task Forces were appointed, as follows:

TASK FORCE ON PRISON REFORM
TASK FORCE ON HIGHWAY SAFETY
TASK FORCE ON ALCOHOL DRUG CONTROL LAWS
TASK FORCE ON OBSCENITY AND PORNOGRAPHY
TASK FORCE ON TAX REFORM
TASK FORCE ON CAPITAL PUNISHMENT
TASK FORCE ON BANNING ADVERTISING OF ALCOHOL

Some of these groups have already met and others are meeting in the near future. Work is going on in these areas. We need your continued prayerful and financial support.

SUNDAY SCHOOL BOARD OF SBC

PURPOSE—To support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ by making available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies and by fostering education and service programs which will help the churches to establish, conduct, enlarge, and improve their ministries of Bible teaching and Christian training.

SIGNIFICANT GOALS AND ACCOMPLISHMENTS—The Sunday School Board recognizes that churches vary a great deal in their wants and needs. Some of these variances are related to size, location, state of Christian development, community environment, and educational level. These differences require variations in basic programs and materials. The Board has sought to understand and meet the needs of the churches rather than to try to impose on churches programs and materials developed in an "ivory tower" setting. In meeting the varying needs of churches, the Board seeks to make all its materials biblically sound, physically attractive, and of acceptable quality. The aim is that every item be of superior quality.

All Sunday School Board activities are designed (1) to discover the programs which churches may use effectively in finding, reaching, teaching, training, and developing people, (2) to promote such programs for use in the churches, and (3) to provide acceptable materials to support these programs.

Church growth plans, which include People to People and CHURCH: the Sunday Night Place, have already helped many churches in reestablishing a positive spirit and have turned their membership and enrolment patterns from decline to growth. These plans, along with many others in the various departments of the Board, forecast a bright future for church growth. The acceptance of these plans by association and state convention leadership has increased appreciably.

The actions that have been taken for the simplification of programs and materials have resulted in greater acceptance from our constituents. The teaching procedures in our leader periodicals have been simplified, and the response to them have been very positive. The field servicing of our programs is receiving excellent response in the churches, associations. and state conventions.

FINANCIAL MATTERS—Net sales for the year of $47,844,000 exceeded the preceeding year by 8.6 percent. Earnings available for working capital, fixed assets, and capital reserves were $2,032,000, a decrease of 8 percent below budget and 15.5 percent below last year. The decrease below last year was by design in order to provide more funds for operating programs. The decrease below budget was related to change in plans to conform to government price and profit guidelines. The Board provided funds to assist state conventions in the promotion of Sunday School, Church Training, Church Music, Student, Church Administration, Church Architecture, Church Library, and Church Recreation work in the amount of $958,878. Additionally, transfer of $321,467 was made to the Southern Baptist Convention for operating expense.

OUTLOOK—The Board has enjoyed a happy relationship with its constituents. News stories were used 1,176 times for a total of 9,673 column inches; 4,526 visitors toured the Board; and letters of criticism were received from only 154 persons as compared to 961 for the preceding year.

Marshall Devotion Smith was born Sept. 10, 1907 in Concord, N. C. and reared in Mooresville. He was educated at Mars Hill College. In addition to college studies there he returned summer after summer for the Pastors' School as he kept currently abreast in Christian teachings under many strong Baptist leaders.

He held pastorates at several locations in North Carolina until 1945 when he became the pastor of Hominy Baptist Church in the Candler area of Buncombe Association. He served here until his retirement in March of 1970. Under Brother Smith's capable and dedicated leadership the Hominy Church became one of North Carolina's foremost rural churches. It was during this time that he was named "Mountain Minister of the Year" by the Clear Creek School in Kentucky.

Pastor M. D.'s gracious spirit and service extended beyond the walls of his church on out into the communities all around. He served for two terms as Moderator of Buncombe Baptist Association in addition to serving as able Chairman of the Association's Finance Committee, and on the Executive Committee. Wherever he was needed he was always there to help with heart and hand. In like manner he served in the interest of the North Carolina Baptist Convention as member of the Convention's General Board.

We mourned our loss here in Buncombe County in the homegoing of our beloved fellow minister on Sept. 16, 1975. Brother Nane Starnes knew M. D. longer than the rest of us as a fellow pastor in the Buncombe Association. His fitting words about our friend echo a hearty 'AMEN' in all our hearts as he said, "I considered him one of my dearest friends—a Christian gentlemen of the first water. He possessed the kind of Christian spirit and attitude that inspired confidence in the people who knew him—the kind of compassion and love of people that would go the second mile day or night. He had the uncanny art of blending the earthy and the Heavenly. He knew that the church's main task was not simply to get men into Heaven but to get the Heavenly spirit into the hearts of men. He also had the art of blending good humor with good religion so that his humor did not cheapen human values but lifted the spirit. He had no patience with any type of religion that did not major on love and a radiant spirit. Following Christ with him was not a matter of keeping rules but of being like the Lord Jesus.

The Bible says, 'He that doeth the will of God abideth forever.' M. D. Smith will continue to live in our hearts and in our lives and in God's good land to which he has gone."

ACTIONS OF THE ASSOCIATIONAL BOARD:

July 15, 1974:

Reports given by all leaders and resolution dealing with pornography was presented to be also presented to the Association in September. No definite actions at this meeting.

October 21, 1974:

Mr. Carlyle Snuffer, Chairman of the Properties Committee presented the need for raising the amount of Insurance on the Baptist Building. A motion was made and passed to raise the Insurance coverage on the Building and Contents from $154.50 per year to $259.50 per year effective 10-22-74 giving a better coverage: Coverage would be A—Building Coverage from 16,000 to 40,000, B—Personal property from 4,500 to 6,600, C—MOS Burglary from 4,000 to 5,000.

A recommendation was made that Buncombe Baptist Association support the endeavor of ABCCM to help with the fund for rebuilding for the Edgewood Church—destroyed by fire. Motion was made and passed to encourage our people to send checks to either BBA or ABCCM and designate for the Edgewood Rebuilding Fund.

A motion was made and passed that we voice our disapproval or objection to the WLOS and the ABC Network—TV for showing the movie "The Last Picture Show"—shown on Oct. 6, at 9:00 P. M. This was done in the form of letter to these.

Brother Paul Justice, Chairman of the Membership Committee of our Association brought to the attention of the group that the Ivy Creek Baptist Church, Fred Jarvis, Pastor was coming under the watchcare of the Association. The church had voted on October 15, 1974 to apply for membership in Buncombe Baptist Association. The first request had come in May in an indirect way to our attention that they desired to come into our Association. Since the first request had come in May, but nothing in writing and by vote of the church until October 15, by common consent of the group, they will now be under the Watch-care of the Association. They are to file with the Associational office before the next annual meeting their articles of faith and church convenant.

January 20, 1975:

Motion was made and passed to continue paying for the Master Maker Machine until the entire price was paid. (This has been rented for a period of time—rent would be applied on the total price)

Motion was made and passed to give to Dr. Crouch a gift at the next quarterly Associational meeting of which he is to be the speaker—April 21—for his years of service to N. C. Baptists.

APRIL 21, 1975:

Reports from the Nominating Committee with the recommendation that we elect the 9 District representatives for Christian Social Ministries. These were presented and passed.

Committee on Committees presented names to replace the Recreation and the Membership Committee Chairman (these men had left our Association)—these were elected.

The request for transfer of available funds from items we have finished using such as Minutes, World Mission Conference promotion and Pastor's Seminar—to go to the S. S. Work for use in paying the cost of our Update Clinics—this Update was not placed in the Budget at the beginning of the year. This was voted and passed.

Bro. Hatcher Elliott, Chairman of the Evangelism Committee spoke of lay witnessing and recommended that the Association give the Evangelism Committee permission to plan for and promote Lay witnessing Revivals for the Spring of 1975-76—stressing the enlistment of the small churches in size. This was passed.

Motion was made and passed that we continue to commend the Eckerds and Ingles stores for removing all undesirable books from their shelves.

Mrs. John G. Hicks, Clerk

ACTIONS OF THE EXECUTIVE COMMITTEE:

September 16, 1974:

1. Application for two students for Gardner-Webb College passed for financial aid. They were Steven Maxwell from the Reynolds Church and Mary Wells of the Newfound Church.
2. Glenn Gunter, chairman of the Committee on Committees presented the following names for the three members at large for the Association Executive Committee: Billy Cline, Charles Phillips, and Fred Werhan. These were approved.
3. M. D. Smith presented an item of increase for Annuity Board on Hospital Insurance from $59.00 per month to $74.47. Motion made and passed.
4. Supt. of Missions alerted the group to a decision that needs to be made concerning our Interracial work. This was turned over to the Supt. of Missions and the Personnel Committee to explore what should be done in this realm. Motion made to request the Supt. of Missions and the Personnel Committee to bring back to the Executive Committee a recommendation.

October 7, 1974:

1. Student aid from Gardner-Webb was passed for William Linnens from Bent Creek and Oakley.
2. Voted to approve the re-scheduling of the Buncombe Baptist Districts. The Program Directors and Staff studied these and will ask the Churches involved to approve the change.

June 2, 1975:

1. Voted to approve student aid for Sara Ann Clodfeller of the Beverly Hills Church for Gardner-Webb college.
2. Voted to approve aid from the Convention for Tommy Robertson, Fruitland Student.

June 23, 1975:

1. The Finance Committee Chairman, M. D. Smith, presented the Proposed Budget for 1975-76. This had been studied by the Finance and the Personnel Committee. Discussion and questions followed with suggestions for long-range planning and setting of some goals for the future. Motion was made that we adopt this Budget relative to the approval of the Association at the Associational Board with the suggestion that we begin July 1 and end Dec. 31, 1975 for a six month period and change the Budget to run with the Calendar year. Motion passed.
NOTE: THE BUDGET WAS PASSED BY THE ASSOCIATION BOARD ON JULY 21, 1975—BUT THE CHANGE OF THE BUDGET YEAR WAS NOT PASSED BECAUSE OF THE NEED OF FURTHER STUDY CONCERNING SOME PROBLEMS THAT HAD NOT BEEN THROUGHLY STUDIED.
2. Motion made and passed to rent office space downstairs to the Baptist Homes—Western—for $65.00. This would be one large room in the downstairs area.
3. Need presented for and desire for air-condition in the office downstairs used by the Baptist Homes. Motion was made and passed to go into Central instead of buying another window unit since the need for more was needed upstairs as well as down—cost from Mr. John Banks would be $700.00 for this. Motion made and passed also to take this amount from savings (we have 730.53) and use for this purpose.
4. Motion was made to use the balance of the designated amount we have which was designated for any special need and amounting to $291. on a small typewritter for the Supt. of Missions to use in his office and that he would make the remaining payments of approximately the same amount—and that the typewritter be his at his retirement and/or his leaving BBA. (This designated gift of $1,000.00 was given in 1972 to Rev. and Mrs. John G. Hicks for use in BBA as they began the work in the Association)

A NEW SUGGESTED PLAN FOR GIVING TO ASSOCIATIONAL MISSIONS FOR EVERY BUNCOMBE CHURCH. This plan is fair and easily understood. Small, medium, large churches can adopt this.

"TWO CENTS FROM EACH OFFERING PLATE
DOLLAR FOR ASSOCIATIONAL MISSIONS"

HOW YOUR CHURCH CAN PLAN TO GIVE TWO CENTS (2) FROM EACH OFFERING PLATE DOLLAR TO ASSOCIATIONAL MISSIONS IN 1975-76

First: Inform your church about the work of associational missions.
Tell what we do to help one another day by day.
State that the associational missions gifts come directly from the member churches who belong to Buncombe Association.
Point out the fact that there is need for expanding our program and that we can expand our service as finances permit.
Encourage faith and commitment. Gaston Association with just three more churches gave almost twice as much to their Assoc. Missions budget.

Second: Ask your Missions, and Stewardship Committees along with the Deacon body to consider and bring a recommendation to the church for Associational Missions. After vote, encourage sending contributions regularly.

THE MISSIONARY'S REPORT

BUNCOMBE IS A BIG ASSOCIATION
John G. Hicks

WE HAVE A GREAT FELLOWSHIP:

We love the Lord and we love one another in the Buncombe. There is some evidence also that we love the lost and the lonely around us.

WE DID SOME BIG THINGS LAST YEAR:

Buncombe Baptist pastors baptized 984 new Christians. Sixty-eight of our churches gave through the Cooperative Program in this 50th anniversary year to provide a lifeline of support for world missions. Asheville First gave the most in dollar amount—$52,000. Ridgecrest gave the most per resident member—$57.00.

Our visiting missionaries said that ours was one of the very best World Missions Conferences in which they had participated.

Our Program Directors provided for us some top-flight special events throughout the year. Sunday School had the spotlight longer in order to do ReachOut and the Update Clinic to introduce new administration books. In addition, they led some very meaningful Quarterly Meeting Conferences.

We welcomed in a brand new Baptist Book Store with an opening crowd which Manager Ben Rentz and his co-workers said was larger than Texas.

We opened an office space in the Baptist Building for Directors Ken Mullins and Ralph Cannon to map the plans to raise the money in Western North Carolina to build a new WNC Baptist Retirement Home in Asheville.

The following completed building or remodeling programs during the past year: Bent Creek, Starnes Cove, Glady, Lakewood, Emma, Grace, Arden, Black Mtn. First, Pleasant Hill, Ridgeway. See full Historian's report for more good details and other good things. Also, many contributed well to assist Edgewood to rebuild after the fire. (See report on this for details.) LET US PRAISE AND THANK THE LORD FROM WHOM ALL BLESSINGS FLOW!

WE HAVE SOME BIG NEEDS!

6 churches reported 'No Baptisms' Others just 1 or 2. Many are lost.

30+ pastors and churches made no plans for pastor's retirement.

22 churches did not share through the Cooperative Program.

29 churches did not give any to the Associational Missions Budget.

?? An estimated 48% of our churches with full-time Pastors do not meet minimum salary standards as suggested by Convention Committee of Nine.

= With size and scope of our work in Buncombe we need ADDITIONAL staff leaders so that development and ministry can be expanded.

WE CAN DO BIGGER AND BETTER IN BUNCOMBE!

We are just below the top in associations with most churches. Here is how Buncombe compares with Gaston (the top). Comparison is for 1974.

Association	Number Churches	Resident Members	Gifts to Budget Asso. Missions	Baptisms
Gaston	93	31,942	$63,959	1,184
Buncombe	90	29,556	32,674	1,053
The Difference	3	2,386	$31,285	131

REPORT OF THE EDUCATION COORDINATOR

This has been a full year of work in Buncombe Baptist Association. With the World Mission Conference and two special S. S. Associational wide events, we have been busy with promotion, etc. of these. In addition to all the regular meetings and Clinics held in the Association this year, I have worked with the following here at the Baptist Building and in individual churches: 9 Clinics of Children's Leadership Groups for those who work with children in Grades 1-6, 5 Preschool Leadership groups, one General Conference on Sunday School work, and approximately 25 individual conferences with leaders in various phases of the work. We are now in the process of working with four churches here at the Baptist building in Leadership conferences and with two others in Church-wide Clinics. These groups meet for 2 1/2 and 5 hour total sessions.

We are grateful for our Associational Program Directors who are doing an excellent work in our Association. If you have needs they will be glad to talk with you and to help if at all possible. Please feel free to call the Associational Office if you have a question or if you need our help in assisting you in your leadership role in your church.

Kindly let us hear from you as you share with us the activities or projects that help to involve people in Bible-learning that you have used with good success in your church so that others may want to do something like same in their church. If you can make a picture of a Bible-learning project or activity and leave here in the office this would prove helpful.

Indeed we are thankful for the improving educational programs which are in progress in many of our churches. We praise the Lord for the joyous opportunities we have in working together for further advance in Kingdom service.

Respectfully submitted,
Martha E. Hicks

THE ASSOCIATIONAL CHURCH LIBRARY ORGANIZATION

The Associational Church Library Organization is becoming reorganized under the direction of Mrs. Robert C. Kinser. Mrs. Guy Bentley will assist in developing programs, workshops and clinics that will help the association's many church library workers in their ministry to the needs of their churches.

Appreciation is extended to the Weaverville Baptist Church and their Library Staff for the Open House that was held during the Annual Associational Meeting, September 16, 1975 in their Library for persons interested in new resources for the media centers and for churches interested in establishing new libraries. Mrs. Gail Smith was hostess for this session.

We have assisted Mrs. Wanda Starnes in establishing a new library and media center at the Broyhill Children's Home in Clyde, North Carolina. Our assistance will be available to any church in the establishing of new libraries upon request.

Regular meetings of TACLO will be held during the regular quarterly associational meetings. Workshops, clinics, idea exchanges and sharing of problems will be the purpose of meeting together. All library workers in the association are invited to attend regularly with us to keep up-to-date on new resources available and new ideas that will make an effective church library ministry.

Mrs. Robert Kinser, Director Library Services

REPORT OF RESOLUTIONS COMMITTEE

REPORT OF THE CONSTITUTION COMMITTEE

We recommend that the following changes and additions be made in the constitution of the Association:

ARTICLE IX—EXECUTIVE COMMITTEE

Insert after the word, Treasurer, "the Program Directors,"

Explanation: These valuable officers (See Article VI, Section 1) should be a part of decisions and actions of the Executive Committee.

BY-LAW VI—SUPERINTENDENT OF MISSIONS

Change the title of Superintendent to "Director of Missions" at this palce and in every other place where Superintendent of Missions occurs in constitution.

Explanation: This new terminology is that which the Directors themselves adopted in their nationwide convocation. It is also in harmony with other SBC terminology, such as Director of Sunday School, etc.

BY LAW IV—DUTIES OF COMMITTEES

SECTION 13. THE COMMITTEE ON STAFF PERSONNEL

After the last sentence add the following sentence:

"They shall prepare and maintain a position description of all employed personnel, submit a copy to the Associational Board, and update as is necessary—particularly when new personnel are added."

Explanation: Such an explanation of the work of the missionary personnel should help our people to understand and to support the program of associational missions.

Joe R. Babb, Chairman
Constitution Committee

REPORT OF MISSIONS COMMITTEE

There were no Missions Committee meetings held during this year. Your chairman has met with several committees at intervals during the year and had personal conferences with our Superintendent of Missions.

We were well pleased with the number of churches who participated in the World Missions Conference. There is evidence that much was accomplished through and during this special emphasis. This surely strengthened our total missions effort in the association, state, home and foreign.

Your chairman and Superintendent of Missions have continued to be available to assist churches wherever possible when a request was made for our services.

Clyde J. Morris, Chairman

SUNDAY SCHOOL REPORT

On November 17, 1975 there were 15,440 people recorded in Buncombe Baptist Sunday Schools. This was the fifth highest in the state of N. C. on that day. REACHOUT SUNDAY 1975 will be on November 2. Each church should strive to have more present on this Sunday than they had last November 17.

In 1975 the "Working" series of study course books were released, replacing the "Administering" series. In April these books were taught in five teaching centers across our Association; 385 people earned awards in this study.

Many of our churches will be participating in Sunday School Leadership Preparation Week. The recommended book for study this year is "Working in the Sunday School," to be studied by every Sunday School worker. The recommended dates are September 28 through October 4.

The State Sunday School Department is planning a terrific Sunday School venture October 10-11 at Ridgecrest Conference Center. The main attraction is the Pastor/Director Workshop—always beneficial. This year they will also include a conference for every age group. If this is well-attended, it will become an annual affair, and an excellent opportunity for your workers to be trained by state leadership.

Ridgecrest Conference Center is, in effect, part of our Association. I would recommend that you take advantage of the best training available in the Southern Baptist Convention by attending the scheduled conferences. Ken McAnear or James Petree are also eager to assist you in scheduling a retreat for your own church or group. Call them at 669-8022.

In the year 1976 Young Adults and Preschoolers are the focal age-groups. A special conference will be held in Charlotte, October 28, for all leaders of these ages. A "spin-off" conference will be held in Asheville, November 20, for those unable to go to Charlotte. A conference for Single Adults is also scheduled for Charlotte, October 3-4.

The annual Vacation Bible School Clinic is always a star attraction each year. Harold Savell, Vacation Bible School Associational Director, and the Associational age-group specialists do an outstanding job. The attendance continually runs Number Two in the state, which indicates something of the quality of the clinic. If your Vacation Bible School staff does not attend, they are missing the best training possible.

If you haven't heard, 1976 is our nation's bicentennial. In keeping with that theme the Baptist Sunday School Board has designed and made available a Bible memory-work plan for older children, and a Read-the-Bible-Through plan. The North Carolina Sunday School Department is promoting "The All-American Class," to encourage starting new adult Bible Classes. Something else new is "Action Enrollment" which guarantees an increase in Sunday School attendance. If you wish to know more about any of these, contact me or Mrs. Hicks.

Sincerely,
Loyd R. Kindiger
Associational Sunday School Director

CHRISTIAN SOCIAL MINISTRIES REPORT

This past year has been spent acquainting pastors and lay people with a new concept—Christian Social Ministries. Through the quarterly Association meetings and visits to pastors, contact has been made with several of our local churches and a sharing process has taken place as to what the local church is doing in the Christian Social Ministries field.

Every church carries on some type of Christian Social Ministires. It could range from a church-community week-day mission to disaster relief for a stricken area. One objective of the Buncombe Baptist Christian Social Ministries Council is to help pastors and lay people become aware of what is being done in the Christian Social Ministries field in our own association, encourage each local

church to do more in this field, and to assist the local church in the development of Christian Social Ministries programs.

This takes time and is an educational process. Again, a plea is made to every local church and every pastor in the Buncombe Baptist Association, please see that your church has elected or selected a Christian Social Ministries representative to attend the quarterly association meetings. At these meetings we discuss and plan together in this challenging and new concept—Christian Social Ministries.

WOMAN'S MISSIONARY UNION REPORT

A Leadership Conference at Fruitland gave the Associational officers the help needed to launch a good year's work in 1974-75. Interest in work has increased and cooperation among the churches and officers indicate that WMU is busy in carrying out its missions tasks.

A Leadership Conference for Church officers was held at Grace Church in Sept. with 160 attending and receiving training and helps for their work. A Missions Book Clinic at Westwood Church was also held to help teachers of foreign mission books.

WMU Council meetings were held regularly for planning and evaluation. The four Associational nights gave more opportunities for promotion, and featured age level clinics, a study leader clinic, and special reports. Mr. Clyde Morris presented the work of the Maternity home which resulted in several churches becoming involved with ministry there. Churches have carried on various mission action activities in keeping with our emphasis on "Love Thy Neighbor."

The WMU assisted in promotion of World Missions Conference in Feb., and served coffee and doughnuts each day at the morning meetings of missionaries.

Five council members attended WMU Annual meeting in Charlotte during March. The Buncombe Associational WMU was recognized there for having reached Distinguished Award for 1973-74.

The Annual WMU Meeting was held at Pole Creek Church, April 28 with 179 attending from 28 churches. It was an excellent meeting with Arden, Westwood, Pole Creek, Calvary, Long Shoals, and New Found Churches receiving special recognition for having reached awards on the Achievement Guide. Many age-level organizations from various churches were also recognized. The Associational officers are seeking to make WMU members aware of the importance of records and reporting because it is found that those who do so are more effective in mission witness.

Through the visits and contacts of very capable and dedicated officers new work has been added. Three new GA organizations have been organized, eight new Acteens, one BYW and BW and one Mission Friends. One church began new WMU work making churches with WMU work.

Many activities have been attended by age-level organizations. A Mission Friends clinic for leaders was enjoyed at Arden Church. A GA Rally at Ridgecrest with 202 touring the center and hearing missionaries was a great event. The Acteens enjoyed a Prayer Retreat at Lake Julian and also a visit to the Baptist Building to talk with the Supt. of Missions about work being done. The BW and BYW met for fellowship and observance of World Day of Prayer at Calvary Church.

$125.00 was given to assist in Black Vacation Bible Schools, and $100 scholarship to a student minister at Fruitland.

Our concern will continue to be for the churches with no organized work, and for strengthening all churches in carrying out WMU tasks.

Respectfully submitted,
Mrs. Robert R. Barnes
Associational WMU Director

CHURCH TRAINING

When we take a new job as a livelihood, some sort of training is essential. The same holds true in our spiritual work. Church Training affords this opportunity.

The quarterly Associational conferences provided information and helpful ideas shared in the

discussion as we emphasized the different age groups. Other phases of our training program were also discussed.

Your director attended the Associational Church Training Conference at Ridgecrest and also Church Training Week at our state assembly at Ft. Caswell.

We were privileged to have Maurice Cooper, Director of Church Training and Ministries of our Baptist State Convention, as our "M" NIGHT speaker. His enthusiasm and message was an inspiration to everyone. Our attendance was five hundred eighty-nine. Zion Hill, who is doing a great work in training, received the achievement banner. They also received the percentage banner for attendance. They had sixty-seven present. White Rock had seventy-two present and received the attendance banner.

Our annual Youth Night meeting was in April at the Weaverville Church. The attendance was 305 with sixteen churches represented. Victory and Zion Hill tied for the attendance banner with each having thirty-four present. Special music was enjoyed by all, with Ken Byerly directing an associational youth choir.

The following churches participated in the Bible Blitz: Arden, Enka, Grace, Hominy, Riverside, Swannanoa, Weaverville, and Zion Hill. Arden placed first and Enka second. The youth and their leaders, along with the Associational Youth Director, Gene Anders and his associate, Phyllis Gosnell, who worked hard preparing the Bible Blitz, are to be commended.

Youth from Arden and Victory entered the Speaker's Tournament, and an elimination was held at Arden Church. Beth Harris from Victory, who placed first, spoke at our Youth Night meeting. This was encouraging and we hope to have more interest shown next year.

The Children's Bible Drill was held at Riverside in May. Arden, Enka, and Riverside had participants. Joyce Stilwell and Laurie Jackson from Enka advanced to the state drill and were winners at Fruitland in June. We also hope to have better participation in the Bible Drill next year.

Plans for a NEW DAY FOR TRAINING SPECTACULAR are being made. The date is April 4, 5, and 6, 1976. Our state workers will be here.

To Make a Difference, TRAIN!

Mrs. Orville Myers, Director

MUSIC REPORT

The Associational Ministry of Music is a channel of service involving many people from many churches in the Association. The work is planned and accomplished by a council composed of fourteen ministers of music who meet monthly.

During the past year the ministry of music provided a Mass Integrated Choir for the annual Associational meeting; a combined choir for M Night; promoted an Associational Youth Choir Retreat and presented from the retreat a large Youth Choir which sang two performances of the musical "Come Together"; held a junior Choir Day Camp and concluded this with a public concert; held four music clinics in connnection with the quarterly meetings of the Association, and provided a special choir for the service at which the State Secretary, Dr. Perry Crouch spoke.

Our Ministry of Music is organized to serve, using the great gift of music to joyfully praise the name of the Lord, and to proclaim the gospel of Christ's redeeming grace.

Donald N. Welborn
Director

BROTHERHOOD REPORT

Our Brotherhood work sustained a loss when Director Edd Yarbrough moved from the Association. We are grateful for his labors and his leadership in this division during the year until he left us. We welcome Director Dudley Penton and his fine new Brotherhood Council. We feel that some more good things are in store for us in the work of men and boys as we labor together for missions advance.

Sincerely,
John G. Hicks
Supt. of Missions

CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE REPORT

During the past year (1974-75) the Christian Life and Public Affairs Committee sought to give leadership and encouragement to the churches in the matter of combating pornography, obscenity, immorality, etc. Through resolutions, petitions, and individual letters the churches registered with public officials, both local and state, a strong concern for social and civil righteousness.

For example, the Baptists of Buncombe Association were a definite factor in encouraging the Asheville City Council to issue an ordinance against the Adult Book Stores and Massage Parlors. Even though these stores and parlors still operate, fifty-five books and twelve films were declared illegal for sale and viewing. If a Federal Court rules in favor of our city ordinance, then the Massage Parlors will be greatly restricted in their operations—no massage could be administered by a person of the opposite sex.

Again, churches were urged to send resolutions to Asheville public officials commending them for their stand in defense of community standards in insisting that full nudity be deleted within the Asheville showing of "Hair" on July 29, 1975.

Also, churches were urged to write legislative officials, urging them to repeal the sale tax on food and to terminate selling hours for beer at 11:30 a. m. instead of 1:00 a. m. Unfortunately both of these bills were defeated in the legislature.

The Christian Life and Public Affairs Committee, being mindful that already in Buncombe County there is a strong posture opposing obscenity and pornography, feels that the time is rapidly drawing nigh when our city and county officials should adopt legislation declaring obscenity and pornography in any form a public nuisance and subject to legal action. Therefore, we recommend that all churches prepare to draw up petitions and resolutions for the effecting of this legislation.

CHAPLAIN (Hospital) REPORT

Your Baptist Chaplain has been able to represent you again in his work with the patients from the surrounding counties of Buncombe as well as some from far away places. Included in these is the work among the Cherokee Indians, the Black, and some few other minorities.

We have been absent only once or twice and have arranged a substitute while away. We count it a privilege to visit with the local ministers as well as retired and active ones from other places.

Again we want to say "thanks" to the Buncombe Association for your support of this work and we stand ready to assist in any way those who desire our service.

Respectfully,
Charles W. Smith, Chaplain

EVANGELISM REPORT

In the Buncombe Association we are planning for lay-led revivals in the 90 churches according to response of the churches. The Baptist Layman's Wittnessing Foundation will give assistance insofar as possible. Your Evangelism Committee will be responsive to any evangelistic needs in the churches. Plans are being made already in a number of the churches for lay-led revivals in the fall of '75. Other requests have come for help in such meetings in 1976.

Your Committee earnestly requests your prayers in the planning and development of our work for the next year.

On the state level we have a report of over 12000 persons sharing in witness training over the past 3 1/2 years. The state-wide youth evangelism night continues to touch the lives of over 15,000 youth each year. The 30th State-wide Evangelism Conference will be held at the Civic Center Auditorium in Asheville, Feb. 2-4, 1976.

CHRISTIAN HIGHER EDUCATION REPORT

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrollment of 303 graduates at present from North Carolina Baptist colleges. The overwhelming majority of Baptist pastors serving churches in North Carolina received their education at Baptist colleges. Without our Baptist colleges, many of our Baptist churches across the state would find it difficult to locate a pastor.

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. During 1975 the anticipated Cooperative Program budget for the colleges will provide: Campbell College, $416,066; Meredith College, $360,-776; Wake Forest University, $639,900; Chowan College, $263,333; Gardner-Webb, $329,166; Mars Hill College, $360,776; and Wingate College $263,333.

Pastors and other church leaders can assist their young people and our colleges by encouraging attendance at a Baptist College. North Carolina Baptist Colleges are committed to Christian values, and to an active partnership with their fellow-Baptist in evangelism, missions and education. Your Baptist colleges solicit the supportive prayers of North Carolina Baptist churches.

Representative on Christian
High Education

MEMBERSHIP COMMITTEE REPORT

Last year the Ivy Creek Baptist Church, Fred Jarvis, Pastor, made request in May to become a member of the Buncombe Baptist Association. This came in the form of writing to the Association and stated that on Oct. 15th, 1974 the Ivy Creek Baptist Church voted unanimously to apply for Membership in the Buncombe Baptist Association. This was presented to the Association Board at the October 21, 1974 meeting, and was accepted under the Watchcare for one year—or until the next Annual meeting in September 1975. (This was presented by Paul Justice, Membership Chairman)

Since that time the Ivy Creek Chruch has filed with the Buncombe Baptist Association a copy of their Church Covenant, The Articles of Faith, and have contributed to Associational Missions from December 1974 through June 1975 a total of $35.00.

According to the Constitution, a church under the Watchcare for one year shall become a member of the Association by vote of the Association in annual session, we therefore, recommend that the Ivy Creek Baptist Church, in the North Buncombe area of our Association, be accepted into the Buncombe Baptist Association.

Earl Moseley, Chairman
(replacing Paul Justice)

CHRISTIAN RECREATION COMMITTEE

Lots of hard work, Christian fellowship and good competitive softball was characteristic of the 1975 Buncombe Baptist Softball League. Nine men's teams and eight ladies' teams competed with the league experiencing the best sportsmanship to date, this being our third season. The churches fielding both a men's and a ladies' team were Emma, Mt. Carmel, Macedonia, Grace, Riverside, Zion Hill, Liberty, and Hominy, while Merrimon Avenue had just the mens' team.

The season ended with an enjoyable tournament run excellently by the Hominy Valley Recreation Park. A banquet at S and W Cafeteria signaled the end of the season. A great Christian com-

radery was evident by this time with everyone looking forward to next year with expectations of more teams and more Christian fellowship. The climax for many of us was when the sportsmanship trophies were given out to the two Zion Hill teams and the spokesman saying "I accept this on behalf of our team, but also on behalf of the entire league . . ." well, it was just that kind of year.

CHRISTIAN ACTION LEAGUE

The Director of the Christian Action League, and our new President, Bill Wallace, wish to express deepest appreciation to the many friends and supporters of the work of the League in Buncombe Association. Our program depends upon you for its success. You provide the money, you furnish the prayer support, and you furnish the "clout" which the League has in its efforts. With trustees and friends and supporters in every association in the State, we have a broad base of support. As we do the work of God in North Carolina, we are so very conscious of our dependency upon Him and the wonderful way in which you have supplied our needs.

A bill was introduced in the General Assembly by Representative Dan Lilley of Kinston to close every beer joint in North Carolina at midnight other than staying open until 2:30 in the morning from the last Sunday in April through the last Sunday in October. The bill failed to receive enough support in the House ABC Committee to pass.

A bill was introduced by Representative Jimmy Love of Sanford to strengthen the statute regulating the flow of pornography. This proposed change would have the District Attorney discretionary power in the matter of the adversary hearing, and would have covered pornography in the Public Nuisancy Section of the Law. This bill failed in the House Judiciary One Committee. We will be back in a later session with both of these concerns.

We need your support and we suggest that you place the Christian Action League in the budget of your church for a definite amount each month. As you do this we will continue to be able to serve.

The League will be promoting Alcoholism Awareness Sunday in January and Highway Safety Sunday in August. Your support of these two efforts will help to save the lives of multitudes of innocent people in North Carolina. God created human life and thereby made it sacred. We are to recognize the sacredness of human life and seek to preserve it for God in every way that is possible.

Bill Horton,
Christian Action League Representative

BAPTIST HOSPITAL REPORT

There have been many significant developments in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

Respectfully submitted,
Virgil Holloway, Representative

BIBLICAL RECORDER REPORT

The Biblical Recorder is one of the oldest and one of the best state papers. In spite of continued problems for religious publications because of inflation, and sky rocketting postage costs, the circulation remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that Buncome churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

Editor Marse Grant said recently the Biblical Recorder has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy." He also pointed out that the Recorder continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "one of the easiest tasks I have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later." His advice is well taken.

Raymond Shumpert, Representative

BAPTIST STUDENT CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

James Y. Greene
Department of Campus Ministry

COOPERATIVE PROGRAM—STEWARDSHIP

Southern Baptists have frequently been called a people on mission for God. This mission is best carried out through doing together those ministries which it would be impossible to perform individually. Cooperation of this magnitude is a unique feature of Southern Baptists. The Cooperative Program may well be called our trademark.

During 1975, we have celebrated the 50th anniversary of the Cooperative Program. Now we are challenged to turn our thinking to the years ahead. A convention wide goal has been set for $150 million to be received in the state conventions in 1976, for Cooperative Program ministries. This would provide approximately $52 million for SBC causes and $98 million for state causes. Sunday October 26, has been designated as a day of church commitment. On that day churches are challenged to adopt a Cooperative Program goal that will reflect a bold step in the support of world missions. Every church is challenged to increase Cooperative Program gifts by a minimum of 1% of the total budget income. In addition, every church is asked to consider greater support of the local associational program and indicate a commitment to this as well.

In North Carolina our 1975-76 Cooperative Program goal is $11,000,000. Of this amount $3,500,700 or 33.34% will go to Southern Baptist Convention causes. $6,999,300 or 66.66% will remain in our state for the support of ministries here.

During the past year the churches of our association gave $395,437 through the Cooperative Program. Our associational missions goal for 1975-76 is $44,642.58. Last year our churches gave $36,191.21 for associational missions. Our goal was $39,690.60. If the churches would increase the suggested percentage for next year we can reach our goal.

Our goals for the coming year are:

1. Every church in the association giving something through the Cooperative Program for world mission support.
2. Every church in the association increasing Cooperative Program giving by at least 1% of the total budget income.
3. Every church in the association giving at least 2 cents from each offering plate dollar for Associational Missions.

HISTORIAN'S REPORT

"Bless the Lord, O my soul, and all that is
within me, bless his holy name.
Bless the Lord, O my soul, and forget not
all his benefits." Psalm 103:1-2.

This is indeed a time to rejoice for the Lord has truly blessed the churches of the Buncombe Baptist Association during the past year. Our record has been a good one and we have much to be thankful for. Get a copy of the Minutes and spend some time studying the reports. You will find much to show the real progress that has been accomplished by the churches in our association. Over 1000 baptisms and more than 1100 received by letter or otherwise may not be what we had hoped for, but it is something we should be thankful for. The five churches showing the largest number of baptisms are as follows: Merrimon Avenue—77, West Asheville—58, Biltmore—43, Calvary—35, and Bent Creek—34. The following churches also reported a good number of baptisms relative to their resident memberships: Bethel—18, Corinth—23, Jupiter—13, Buena Vista—21, Zion Hill—23.

Our churches gave over $400,000 to the Cooperative Program and our total gifts to all missions were more than $750,000. While a few churches did not give to the Cooperative Program almost without exception they gave to one or more of our mission causes.

Total receipts of our churches was well over four million dollars for the past year. Fifty of our churches reported owning a parsonage with an average value of approximately $34,000. The 84 churches reporting show a value of church property of over twenty million dollars.

N. C. BAPTIST HOMES FOR THE AGING REPORT

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albermarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through

the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. We are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. Rev. Nane Starnes is chairman of the fund raising committee and Dr. Jesse Chapman is Co-Chairman. Rev. Starnes has been very active in securing funds and promoting raising of funds.

Mr. M. H. Cox secured a Will from Mr. Percy Franklin, who gave us approximately $30,000 or $35,000 in his will. This money has been invested from which we receive interest and dividends.

Miss Lucile Fitzgerald has been acting as secretary and has been very successful in raising funds. I have been acting as treasurer.

The N. C. Baptist Homes for the Aging have taken over this project and appointed Mr. Kenneth Mullins from the Southern Baptist Institution Fund Raising Department of Southern Baptist Convention to head this project. The State Board of Trustees has appointed Rev. Ralph Cannon as Director of Department and Denomination Relations, and he began his work here September 1, 1975.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the services of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give liberally as possible that the over whelming needs of older people in our midst might be met more adequately. Visit the Homes and see firsthand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

AMERICAN BIBLE SOCIETY REPORT

It is both inspiring and challenging to review what has been accomplished by the American Bible Society during the past year.

TRANSLATIONS AND PUBLICATIONS:

The Bible Society helped support 617 translation and revision projects around the world—58% of them making some part of the Scriptures available to people for the first time.

By the end of the year at least one book of the Bible had been translated and published by the Bible Societies or other Christian organizations in 1,549 languages. Circulation of "Good News for Modern Man" passed the 47,000,000 mark.

"Justice Now". (Hosea, Amos, ad Micah), Ruth, and "Let My People Go" (Exodus) in Today's English Version were published this past year. The complete TEV Bible is scheduled to be published in 1976.

GOOD NEWS FOR NEW READERS:

In its first year the "Good News for New Readers" program produced Scripture Literacy Selections in one or more reading levels in 100 languages.

More than $63,000,000 must be raised in the next 12 years to finance the program. The "Fellowship of the Torchbearers for Our Lord" was launched to help raise these funds. Members of the fellowship pledge a monthly gift to help finance the worldwide program.

DISTRIBUTION:

Scripture distribution by the United Bible Societies throughout the world during 1974 is estimated to have surpassed 250,000,000 copies. Distribution in the United States totaled 87,102,185 in 1974.

"Good News, America," a new 10-year program designed to relate the Scriptures to the celebration of the United States Bicentennial, began last June.

THE SUPPORTING PUBLIC:

In 1974 the budget of the American Bible Society which supports Scripture translation, production and distribution around the world totaled $13,300,000. The 1975 budget has been raised to $12,950,000. More than 70 denominations, churches and agencies supported the American Bible Society in 1974. Their combined support totaled $1,323,244.

The Bible-a-Month Club, whose members pledge to contribute $3 or more to the Bible Society monthly, experienced exciting growth in 1974—Membership reached almost 200,000.

SOME OF THE WAYS YOU CAN HELP ARE:

Send a gift to the American Bible Society, large or small, every gift helps. Help someone, somewhere to receive the Good News of Jesus Christ.

Set up a Scripture Courtesy Center in your home, church, school or place of business.

Celebrate "Good News, America."

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

Without the cooperative support of our Baptist people, along with many other friends, the Homes could not have come into being. These relationships are vital to the future of the Homes and all who are served through them. The investments which we have made in the lives of hundreds of children are today paying rich dividends. These are some of our finest citizens for whom you provided a Christian home and way of life.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to re-establish homes and strengthen family relationships.

New and exciting developments are in progress in Western North Carolina. The beautiful Broyhill Home campus will have a fifth cottage for children constructed during the next year. The Thermal Belt Youth Shelter, at Forest City, was opened last spring and is meeting a vital need for children needing immediate help. Several young girls are receiving care through the Maternity Home in Asheville. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

Hugh Starnes, administrator of our work in Western North Carolina and other members of the staff are anxious to have you and members of your church visit Broyhill Home. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those for whom we accept responsibility.

REPORT OF ANNUITY BOARD

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about $15 1/2 million in retirement and other protection benefits to these annuitants. In the Board's 57-year history, it has paid a total of over $125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employes—which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record $353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to $21 million.

Gains in other investments reduced the net loss to $11.3 million, or three per cent based on average investments. All investment funds, whether church-related or having other connections, suffered from the stock market decline.

As the stock market began to recover in early 1975, the losses also began to be recovered, Board President Darold H. Morgan said.

In December, 1974, the Board issued a 13th Check to annuitants. It amounted to more than $675,000 and was equal to one month's benefits. It is called a 13th Check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation was chartered in 1919 to assist individuals throughout the state in their estate planning to provide support to Baptist institutions and missions. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors. The income from these investments is paid annually to the institution or mission cause designated by the donor.

Baptists in increasing numbers have taken their stewardship more seriously in recent years. Many have left their estates to the Baptist Foundation with proceeds designated for world causes. The total assets of the North Carolina Baptist Foundation as of June 30, 1975 are $2,331,559.67. The income distributed to world causes for the past year was $76,257.82. This amount is just a token of what we can do for Jesus Christ throughout the world. As others join the increasing number of concerned Baptists, the amount of yearly income will raise substantially.

Wills account for a major portion of the funds held in trust by the Foundation. Your will is important. Please remember to leave a substantial amount to the Baptist Foundation to be used to glorify the kingdom of God for the rest of time.

Lee Roy Denton

NOTE FROM MRS. MARY LEIGH SHAW

"I just want to express my deep appreciation to the Baptist Ministers and their gracious wives, for their expressions of love and interest in my work as we try to serve the Lord Jesus Christ together through ministry to the ill. The blessings I receive daily through this service are greater than I could imagine from any other form of "work." It is really not work, but joy. The wives, children and secretaries who answer the phones in the absence of the ministers are so gracious, and the way they answer the phone tells a story in itself.

You have provided wonderfully dedicated chaplains to the hospitals through the years, and each one has meant a great deal to me personally. My thanks to you all."

Yours, in the service of our Lord,
Mary Leigh Shaw, Ministerial Secretary

STATE MISSIONS IN NORTH CAROLINA

Southern Baptists' compassion for world missions must also include the real needs of our own counties and state. State and associational missions are indeed part of the world mission imperative. Without neglecting distant lands, we must continue to build a strong state missions program throughout North Carolina.

State missions can be divided into two major categories: (1) STRENGTHENING ministries and (2) LENGTHENING ministries.

Strengthening ministries help develop local church organizations such as Sunday School, WMU, Church Training, Brotherhood, etc. These programs enable local churches to realize their own mission potential. Workshop, seminars, and conferences are conducted throughout the year for the development of local church programs.

The second type of state missions are those ministries that lengthen the local church's witness. These are cooperative efforts requiring the resources of more than one church or association. Examples of these programs are resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions, etc. Many of these ministries are co-sponsored by district associations and the Southern Baptist Home Mission Board.

All state mission ministries are in some way cooperative efforts of local churches and associations. Church and associational development, in fact, is one of the primary goals of state missions in North Carolina. The purpose is to build strong "mission stations" across the state as a foundation for the overall support of world missions, Christian education, and benevolences.

State missions in North Carolina is supported by the Cooperative Program and the annual State Missions Offering in September.
